EDUCATION SECRETARIAT

Dated 30th March 1951.

Subject:—Lawrence Schools at Lovedale (Nilgiris) and Sanawar (Simla Hills)—Scheme for award of scholarships.

No. E. 13329-Edn. 71-50-13. The Government of India have decided to introduce a scheme of scholarships to assist deserving pupils to take advantage of the public school facilities at the Lawrence Schools at Lovedale (Nilgiris) and Sanawar (Simla Hills), with effect from the academic year 1951. The schedule appended herewith furnishes the information regarding these scholarships.

By Order of His Highness the Maharaja of Mysore,

A. C. NIRVANI GOWDA,

Secretary to Government,
Education Department.

SCHEDULE.

LAWRENCE SCHOOLS AT LOVEDALE AND SANAWAR SCHOLARSHIPS SCHEME.

1. The Government of India have decided that—

(i) There shall be two types of scholarships, full and half, as follows:—

(*a*) Pupils whose parents or guardians have an income of Rs. 500 or below:—

Remission of full fees including cost of tuition, board and lodging; text books, stationery and games but excluding cost of clothing).

(*b*) Pupils whose parents or guardians have an income between Rs. 501 p.m. and Rs. 1,000 p.m.

Remission of half fees as defined above.

N.B.—Parents or guardians will be required to submit a formal statement of income, supported by a certificate from the Revenue Authorities or an income tax certificate.

(ii) The number of scholarship holders shall be 20 per cent of the total number of pupils in each school: provided that in determining the total number of pupils, "entitled" children shall be excluded, and provided further that out of the total number of scholarships, the number of scholarships reserved for children of the armed forces personnel shall be 20 per cent of the number of seats actually filled by them (40 per cent seats have been reserved for them in each school), the expenditure on the award of these scholarships being debited to the defence estimates;

(iii) The criteria for the award of scholarships to the two categories of pupils shall be same, and

(iv) Award of scholarships shall be made by the Secretary, Ministry of Education, who is the Chairman of the Committee of Management, Lawrence School, Sanawar, and of the Board of Administration, Lawrence School, Lovedale, after considering the recommendations of the Principals on the results of the "merit" tests conducted by them.

2. The scholarship scheme is mainly intended for the Senior School. It has therefore been decided that the number of scholarships in the Preparatory School should be limited to 10 per cent of the total number of scholarships or one in each public school, whichever number is higher.

3. At present there are 196 non-entitled pupils at Sanawar and 104 at Lovedale. The total number of scholarships admissible would thus be 40 at Sanawar and 20 at Lovedale. Of those numbers four at Sanawar and two at Lovedale would be allotted to the proper school. The number of scholarships available in the Senior and Preparatory Schools will also have to be allocated to "Civil" and "Military" categories in proportion to the numbers, on the rolls in each category. (For 1951, the figures may also need revision in the light of actual admissions or an estimate prepared by the Principal).

4. The candidate who were already in the school in 1950 and wish to continue in 1951 will get a share of the scholarships. Out of the total number of scholarships available, six in each school may be awarded to candidates who come out first in the next annual examination in each class of the Senior School from Standard III to Senior Cambridge preparatory in each of the Civil and Military Groups. (Pupils of Standard II will be eligible to complete with Preparatory School pupils). These scholarships may be awarded to the children who satisfy the income qualifications prescribed, (namely, whose parents or guardians have an income of less than Rs. 1,000 a month) provided that the top boy or girl attains a good first class standard (approximate 65 per cent marks). One in each of the preparatory schools at Sanawar and Lovedale may also be awarded to the best pupil in the Preparatory School (three lower classes selected by the Principal from within the income group. on the basis of the annual examination).

5. This will leave roughly 33 scholarships at Sanawar and 13 at Lovedale. For selecting this number or such other modified number as may be necessitated by new admissions, it is proposed that the scholarships would be awarded at two distinct stages in the school, namely at the preparatory stage on admission and beginning of the lower stage in the Senior department, *i.e.*, about the age of 9 or 10. These scholarships will have to be continued until the pupils complete their courses in the Preparatory School and the Senior Department respectively, provided they make satisfactory progress which is to be certified by the principals and which should mean not less than first class standard. The progress of scholars will be reviewed by the

principal every year, but it will be open to him to recommend cancellation of a scholarship at any time for serious deterioration of the pupil or unsatisfactory behaviour and conduct. Such recommendations will be circulated to the members of the Board of Administration, Lovedale, or the Committee of Management, Sanawar, as the case may be before they are given effect to.

6. In 1951, out of the total number of scholarships available for fresh admissions only one-third may be allotted, so that for the next two years a few scholarships may be available while those awarded in 1951 continue in the higher classes. These will be awarded on the basis of merit tests to be conducted in the manner outlined in para 7 below.

7. As regards the basis on which these new scholarships should be awarded at these two stages, it is suggested that all fresh applications received in the two classes in question including those of candidates promoted from the Junior School, should be considered in two groups—one for the Preparatory School and the other for admission to the Senior Departments by a Committee for each school consisting of (1) the Principal (ii) the Director of Public Instruction, Madras, in the case of the Lovedale School and the Director of Public Instruction, Pepsu, in the case of Sanawar School or any other officer of the State Education Department, whom the Director of Public Instruction may consider suitable for the work; and (iii) as far as possible as Psychologist, either from a Training College or from the Ministry of Defence or elsewhere. Selection of scholars would be by means of a written test in Arithmetic, English and general knowledge. The paper in General Knowledge should be sufficiently comprehensive to test the knowledge of pupils about all things around them which boys and girls of that age are expected to know, the object being to test the intelligence and promise of the student and not merely his achievement. The result of the tests may be supplemented by an oral interview by the Committee. The competition will be limited to the age group 9—10 for admission to the Senior Departments. In the case of preparatory school children, there should be only an oral test by the Principal and interviews by the Committee. The interview may be in the presence of parents or guardians, though such presence need not be rigidly insisted upon as an established condition. This may give useful information about the home atmosphere which would have contributed to the make up of the child at the time of admission. In the case of Preparatory School Scholars, the test will be formal and the interview with the parent and the pupil should be given more weight. As pupils at this stage may not have sufficient knowledge of English, the Principal may give them a test in their own language, as far as possible. The recommendations of the Committees may then be submitted to the Secretary to the Government of India, Ministry of Education, who will give the final award taking into account the number of scholarships reserved for Military and Civil personnel and the total number of admissions in the school which will determine the total number of scholarships to be awarded in a particular year after taking into account the number of scholarships reserved for Military and Civil personnel and the total number of admissions in the school which will determine the total number of scholarships to be awarded in a particular year after taking into account the number of scholarships of the previous year which will continue to be in operation.

8. To save unnecessary expenditure, the test and interview may be held ten days before the school reopens, so that successful pupils and pupils who would join with or without a scholarship, may be admitted and left by the parents at the school before they leave Lovedale or Sanawar as the case may be. (Approval of the Secretary, Ministry of Education, should be obtained within the ten days period).

9. No quota need be allotted to different States in the available scholarships.

10. Children of the staff will also be eligible to compete for all the scholarships (Civil). If they qualify for scholarships under the scheme, they will not be eligible for any other concessions available to them as children of the staff.

11. Pupils whose parents are in the scheme groups above Rs. 1,000 may also compete for the scholarships. If they qualify in the annual examination or the merit tests at admission time for a scholarship they will be called "Honorary Scholars" and no financial benefit will be given to them. All others awarded scholarships will be designated "Scholars".

Letter No. 35 (20)—I. T.—50, dated the 20th March 1951, from the Secretary, Central Board of Revenue, New Delhi, to all State Governments except Jammu and Kashmir.

Subject :—Salaries—Deduction of Income-Tax made at source—Receipt to be given under Section 62 of the Indian Income-Tax Act, 1922.

I am directed to refer to Section 62 of the Indian Income-Tax Act 1922, which requires that "a receipt shall be given for any money paid or recovered under the Act". As deduction at source is a mode of recovery of tax, it is obligatory that the person from whose salary tax is deducted should be given a receipt. Government have, however, been advised that a consolidated annual receipt for the tax deducted in the year would be sufficient compliance with the provisions of Section 62. It has therefore been decided, in consultation with the Comptroller and Auditor-General, that, in future, when deduction of Income-tax from salaries is made at source, the Disbursing Officers, *i.e.*, Treasury Officer or Accounts Officers in the case of Gazetted Officers and Heads of Offices in the case of non-Gazetted Officers, should issue to the person from whose salary Income-tax is deducted at source, an annual consolidated receipt in the form prescribed below :—

NOTIFICATIONS BY GOVERNMENT

DEVELOPMENT SECRETARIAT

Dated 21st April 1951.

No. D. 351. The following Trade Agreement between the Government of India and the Egyptian Government signed at New Delhi on the 17th March 1951, is published for the information of the public.

R. J. REGO,
Secretary to Government,
Development Department.

TRADE AGREEMENT BETWEEN THE GOVERNMENT OF INDIA AND THE ROYAL EGYPTIAN GOVERNMENT.

The Government of India and the Royal Egyptian Government being desirous to strengthen the traditional bonds of friendship which unite the two countries and further to facilitate and develop the commercial relations existing between the two countries have agreed as follows :

ARTICLE 1.

1. India and Egypt will grant each other complete most favoured nation treatment, that is to say, with respect to customs, duties and charges imposed on importation or exportation or imposed on the international transfer of payments for imports or exports and with respect to the method of levying such duties or charges and with respect to any regulations, formalities and charges to which customs clearing operations may be subject, any advantage, favour, privilege or immunity granted by either of the Contracting Parties to any product originating in or destined for any other country shall be accorded immediately and unconditionally to the like product originating in or destined for the territory of the other Contracting Party.

2. The provisions of paragraph 1 of this Article and of Article 2 shall not, however, apply to the grant or continuance of any—

(*a*) advantages accorded by either of the Contracting Parties to contiguous countries ;

(*b*) advantages resulting from any Customs Union or free trade area to which either of the Contracting Parties is or may become a party ;

(*c*) preferences or advantages accorded by India to any country, existing on the date of this Agreement or in replacement of such preferences or advantages that existed prior to the 15th August 1947 ; or

(*d*) advantages accorded by virtue of a multilateral economic agreement designed to liberalise conditions of international commerce.

ARTICLE 2.

1. Each Contracting Party shall accord to the ships of the other Contracting Party, in the matter of duties of tonnage, harbour, pilotage, lighthouses or other analogous duties levied in the ports of either Contracting Party, treatment no less favourable than that accorded to the ships of any other foreign country.

This Article shall not apply to any concessions made to ships engaged in the coasting trade of either Constracting Party.

2. Both the Contracting Parties will provide all facilities that they can reasonably accord to secure that the ships of the Contracting parties carry as large a proportion as possible of goods exported from or imported into their respective countries under this Agreement.

ARTICLE 3.

The Contracting Parties also agree that if either of them establishes or maintains a State enterprise, wherever located, or grants to any enterprise or agency, formally or in effect, exclusive or special privileges, such enterprise or agency shall not, in its purchases and sales, involving either imports or exports (other than import of products purchased for Governmental purposes and not with a view to commercial re-sale or with a view to use in the production of goods for commercial sale) act in such a manner as will nullify or impair any benefit accruing to the other Contracting Party under any of the provisions of this Agreement.

ARTICLE 4.

1. With respect to the items mentioned in Schedules A and B attached to this Agreement and which shall be taken to form an integral part of this Agreement, the Contracting Parties agree that wherever necessary according to the laws and regulations applicable in either country, import and export licences shall be granted according to the laws and regulations applicable up to the yearly quantity or value mentioned against each item.

2. The granting of the licenses referred to in para 1 above shall be subject to negotiation of contracts which are mutually satisfactory regarding specifications, prices, delivery and other terms.

3. The yearly quantity or value of any of the items mentioned in Schedules A and B can be altered or fresh items added by mutual agreement between the two Contracting Parties.

4. The provisions of paras 1 to 3 of this Article are without prejudice to the rights of nationals or firms of either country entering into business transactions in respect of goods and commodities not forming part of this Agreement subject to and in conformity with the laws and regulations of either Contracting Party for the time being in force.

5. The provisions of this Agreement shall not extend to prohibitions or restrictions :—

(i) imposed for the protection of public health, or

(ii) imposed for the protection of plants or animals including measures for protection against disease, de-generation or extinction as well as measures taken against harmful seeds plants or animals.

ARTICLE 5.

This Agreement having received the approval of both Governments, comes into force with effect from the 1st March 1951. It shall remain valid until 29th February 1952, and for such successive periods as may be mutually agreed upon before its expiry.

DONE and signed, in duplicate, in English, both documents being authentic, in New Delhi on the 17th March 1951.

Dated 21st April 1951.

No. D. 354. Intimation has been received from the Chief Controller of Exports, that the position regarding export of groundnut and groundnut oil has been further reviewed by the Government of India and that it has been decided to allow exports in the following manner:—

(*a*) Exports of groundnuts to Switzerland may continue to be allowed, as hitherto, against registrations already made for shipment upto June, 1951. Suitable extensions of shipment period may also be granted in cases where shipment could not be made within the original registration period by the shippers concerned for good and valid reasons.

(*b*) Export of groundnut oil and H.P.S. groundnuts to Canada may be allowed upto 60 per cent of the sales registered for shipment during the months of March to June, 1951.

(*c*) Export of groundnut oil to the United Kingdom may be allowed upto 30 per cent of the sales registered for shipment during March—June, 1951.

(*d*) Exports to destinations other than those mentioned above, may be allowed upto 25 per cent of the sales registered for shipment during March to June, 1951.

(*e*) Shipment of groundnut oil *to Itally* should hereafter be allowed only upto 25 per cent of the quantity outstanding against sales registered for shipment during March–June, 1951. No shipment of groundnut oil to Italy should also be allowed against sales registered for shipment before March, 1951.

2. Where the shipment period of any sale is a period of more than one month, the quantity due for shipment during each month should, for the purposes of these orders, be arrived at by dividing the total quantity of the sale by the number of months comprised in the shipment period (even though in terms of the sale contract the shipper could ship the entire quantity of the sale in any one month). For example, a sale of 600 tons has been registered, say, for shipment during January–March, 1951; the quantity due for shipment in March should be computed as 200 tons (600 ÷ 3).

3. As the month of March is just expiring, an extension by one month may be allowed in the case of sales valid for shipment during March, 1951.

The fact that an application form has been supplied on whatever date will not be accepted as an excuse for the late submission of an application. Candidates who delay their requests for forms until a late date will do so at their own risk.

Note.—Applicants for admission to the 11th Military Wing Course whose results are not yet known are advised, if otherwise eligible, to submit their applications for appearing at this examination. If they are selected for the 11th Course, their present applications will be cancelled by the Commission.

3. (*a*) Civilian candidates for admission to this examination must have been born not earlier than 2nd January 1931 and not later than 1st January 1934.

(*b*) Personnel serving in the Army who wish to compete for this course must have been born not earlier than 2nd January 1928 and not later than 1st Jnnuary 1934. This concession is not admissible to civilian personnel employed in the Army or to Ex-servicemen or to personnel employed in the Territorial Army.

The age limits can in no case be relaxed.

4. Candidates must pay the following fees:—

Rs. 37-8-0 (Rs. 9-6-0 in the case of candidates belonging to scheduled castes or scheduled tribes) with the application.

Note 1.—Only a Treasury Receipt or crossed Indian Postal Orders payable to the Secretary, Union Public Service Commission, for the amount will be accepted. The Commission cannot accept the fee in cash or by cheque.

Note 2.—No claim for a refund of this fee will ordinarily be entertained nor can it be held in reserve for any other examination or selection. A refund of Rs. 30 (Rs. 7-8-0 in case of candidates belonging to scheduled castes or scheduled tribes) will however be made to candidates who are not admitted to the examination by the Commission. A refund of Rs. 30 (Rs. 7-8-0 in the case of candidates belonging to scheduled castes or scheduled tribes) will also be made to those candidates who secure 35 per cent or more marks in the aggregate of the written papers.

Note 3.—The Commission may at their discretion remit the prescribed fee where they are satified that the applicant is a *bona fide* displaced person and is not in position to pay the fee.

5. Candidates accepted for admission to the examination will be informed of the date, time and place of the examination in due course.

BISHAN DAS,

Secretary,

Union Public Service Commission.

MINISTRY OF DEFENCE

NOTIFICATION

New Delhi, the 14th April 1951

No. 463.—An examination for admission to the Military Wing of the National Defence Academy for the 12th Course commencing in January 1952 will be held by the Union Public Service Commission at Allahabad, Bombay, Calcutta, Delhi, Madras and Nagpur, sometime in July 1951.

2. Candidates who qualify at the written examination conducted by the Commission will be required to appear before a Services Selection Board for interview.

3. The approximate number of vacancies to be offered for entry into the Academy as a result of this examination will be 75.

4. Civilian candidates for admission to this examination must have been born not earlier than 2nd January 1931 and not later than 1st Janunry 1934.

5. Personnel serving in the Army who wish to compete for this course must have been born not earlier than 2nd January 1928 and not later than 1st January 1934.

Note.—This concession is however not admissible to Civilian personnel employed in the Army or to Ex-servicemen or to personnel employed in the Territorial Army.

The age limits can in no case be relaxed.

6. A candidate must be an unmarried male and must either be—

(*a*) a citizen of India or

(*b*) a person who has migrated from Pakistan with the intention of permanently settling down in India or

(*c*) a subject of Nepal or of Sikkim or of a Portuguese or French possession in India.

and if he comes under category (*b*) or (*c*) must be a person in whose favour a certificate of eligibility has been given by the Government of India. A candidate in whose case such a certificate is necessary may be provisionally admitted to the Academy subject to the necessary certificate being eventually given to him by Government.

Note.—Persons who migrated to India from Pakistan before 19th July 1948 and have ordinarily been resident in India since then are eligible for appointment to services and posts under the Government of India without certificates of eligibility *qua* citizens of India. Persons who so migrated on or after the 19th July 1948 are non-citizens and must secure certificates of eligibility for appointment to Union Services, unless they had migrated before 30th September 1948 and had got themselves registered as citizens within the time allowed or had entered the Union Services without certificates of eligibility under the old instructions in which case certificates of eligibility will not be necessary. Certificates of eligibility will not be necessary in the case of Gurkha subjects of Nepal also.

7. Candidates should be medically fit in all respects for service in any part of the world. The standards of medical fitness are shown in Appendix I.

A number of qualified candidates are rejected subsequently on medical grounds. Candidates are therefore advised in their own interest to get themselves medically examined before applying, to avoid disappointment at the final stage.

A sufficient number of suitable candidates recommended by the Services Selection Board will be medically examined by a Board of Service Doctors. No candidate not passed as fit by the Medical Board will be admitted to the Academy. The mere fact that the medical examination of a candidate has been carried out by a Board of Service Doctors will not mean or imply that the candidate has been finally selected.

8. Candidates must undertake not to marry until they complete their full training. A candidate who marries subsequent to the date of his application, though successful at this or any subsequent examination, will not be selected for training, and a candidate who marries whilst under training shall be discharged, and will be liable to refund all expenditure incurred on him by the Government. Commissioned Officers will not be eligible for allotment of married accommodation before they attain the age of 25 and will be required to live in a mess.

9. Candidates must have passed one of the following examinations. Attention is, however, invited to notes (i) and (ii) below.

(a) the Intermediate Examination of a University or Board approved by the Parliament or a State Legislature, or an examination recognised by such University or Board as equivalent to its Intermediate Examination; or

(b) the first year examination under the three-year Degree course of the Delhi University; or

(c) the Cambridge Higher School Certificate examination; or

(d) the Cambridge School Certificate examination and thereafter must have successfully completed one academic year in a recognised College; or

(e) any other examination which may be recognised by the U.P.S.C. as equivalent to the above.

Note (i).—Personnel serving in the Army who have passed Matriculation or equivalent examination will be eligible to apply. Civilian personnel employed in the Army, personnel employed in the Territorial Army and Ex-servicemen are excluded from the benefit of this concession.

Note (ii).—Candidates who have appeared or intend to appear at any of the above examinations may also apply for admission to this examination. The applisations of such candidates will be accepted provisionally and the successful ones at this examination will be required to furnish proof of their having passed that examination as soon as possible and in any case before they join the National Defence Academy.

10. A candidate must satisfy the Union Public Service Commission and the appointing authority that he is suitable in all respects for admission to the Military Wing of the National Defence Academy.

11. The decision of the Union Public Service Commission as to the eligibility or otherwise of a candidate for admission to the examination shall be final.

12. No candidate shall be admitted to the examination unless he holds a certificate of admission from the Union Public Service Commission.

13. Any attempt on the part of a candidate or his relations or friends to enlist support for his candidature will disqualify him for admission.

14. The maximum number of candidates to be admitted to the examination may at the discretion of the Union Public Service Commission be limited to such number as the commission may decide. If a limit is imposed and the number of candidates exceeds that limit, the Union Public Service Commission shall select from amongst the applicants those who shall be admitted to the examination and shall have regard in so doing to the suitability of the applicants for admission to the Academy.

15. The examination will be conducted by the Union Public Service Commission in the manner prescribed in Appendix II to the Notification. In order to qualify in the written examination candidates must obtain 33 1/3 per cent of marks in each subject and 40 per cent in the aggregate.

The Union Public Service Commission may, after considering the results of the written examination, alter the percentages of qualifying marks, if they consider it necessary to do so.

16. The Union Public Service Commission shall prepare a list of candidates in order of their merit as disclosed by the aggregate marks awarded to each candidate at the written examination. Candidates who obtain qualifying marks at the written examination shall appear before a Services Selection Board. The maximum number of marks obtainable at the S.S.B. interview will be 900. In order to qualify in the interview candidates must obtain not less than 360 marks. Candidates to be acceptable should secure the minimum qualifying marks both in the written examination and Services Selection Board interview. Subject to this condition, they will then be placed in the order of merit on the basis of the total marks secured. The final selection for admission to the National Defence Academy will be made in order of merit up to the number of vacancies available.

Candidates will appear before the Services Selection Boards, and undergo the tests thereat, at their own risk and will not be entitled to claim any compensation or other relief from Government in respect of any injury which they may sustain in the course of or as a result of any of the tests given to them at a Services Selection Board, whether due to the negligence of any person or otherwise. Candidates (parents or guardians in the case of candidates who are minors) will be required to sign a certificate to this effect on the form appended to the application.

17. Candidates finally selected will undergo a course of training up to two years at the Military Wing of the National Defence Academy. Civilian candidates will be enrolled under the Army Act as 'gentlemen cadets.' Gentlemen cadets will be dealt with for ordinary disciplinary purposes under the rules and regulations of the Academy.

18. Commissions will be granted only on successful completion of training. The date of commission will be that following the date of successful completion of training. Commissions will be permanent.

19. While the cost of training including accommodation, books, uniforms, boarding and medical treatment, will be borne by Government, candidates will be expected to meet their pocket expenses themselves. The minimum expenses at the Academy are not likely to exceed Rs. 40 per mensem. Where cadets' parents or guardians are unable to meet wholly or partly, even this expenditure, financial assistance may be granted by the Government. No cadet whose parent or guardian has an income of Rs. 300 per mensem or above would be eligible for the grant of the financial assistance.

A candidate desirous of having any financial assistance should immediately after being finally selected for training at the Academy, submit an application through the District Magistrate of his District who will with his recommendation, forward the application to the Ministry of Defence, Government of India.

20. Candidates when called up for interview by a Services Selection Board or for subsequent training will be eligible for T.A. and D.A. in accordance with the rules then in force. Candidates who have previously been before a Services Selection Board for the same type of Commission are not entitled to T.A. and D.A. on subsequent occasions.

21. Pay and allowances, pension, leave and other conditions of service after the grant of commission will be identical with those applicable from time to time to regular officers of the Army.

22. No candidate will normally be permitted to resign whilst under training. A civilian candidate who is not considered suitable to complete the full course of training may with the permission of the Army Headquarters be discharged. An Army candidate under these circumstances will be reverted to his Regiment or Corps.

23. An outfit allowance at the rates and under the general conditions applicable at the time for each cadet belonging to the Military Wing will be placed at the disposal of the Commandant of the Training Institution. The unexpended portion of this allowance will be :—

(i) handed over to the cadet on his being granted a commission ; or

(ii) if he is not granted a commission, refunded to the State.

On being granted a commission, articles of clothing and necessaries purchased from this allowance shall become the personal property of the cadet. Such articles will, however, be withdrawn from a cadet who resigns whilst under training or who is removed or withdrawn prior to commissioning. The articles withdrawn will be disposed of to the best advantage of the State.

UNION PUBLIC SERVICE COMMISSION.

INSTRUCTIONS TO CANDIDATES REGARDING THE FILLING UP AND SUBMISSION OF APPLICATIONS FOR THE EXAMINATION FOR ENTRY INTO THE MILITARY WING OF THE NATIONAL DEFENCE ACADEMY.

(1) A copy of the Notice. Notification, etc., for the examination is sent herewith. (The fact that these papers are being supplied to a candidate is no evidence of his eligibility for admission to the examination. Candidates should consult them to see if they are eligible before filling up the application form or paying the prescribed fee. The conditions prescribed cannot be relaxed).

(2) The enclosed application form must be filled up in the candidate's own handwriting, and all answers must be given in words and not by dashes or dots.

The application form should be submitted direct to the Secretary, Union Public Service Commission, Parliament House (Post Box No. 186), New Delhi. A service candidate must submit his application through his Commanding Officer, who will, if he considers the candidates eligible forward it to the Union Public Service Commission with his recommendation (*vide* Section C of the application form). Applications of eligible candidates will not be withheld even if the candidates are not recommended. Cadets of the P.W.M. College Dehra Dun, and K.G.M. Colleges should submit their applications through the Principal of the College.

(3) Applications should be sent by registered post when they cannot be presented in person. If a candidate fails to register his application, he does so at his own risk. If he desires an acknowledgment, he should send his application "Registered Acknowledgment Due."

(4) If before or after the examination it is found that a candidate has knowingly furnished any particulars which are false, or has suppressed material information, he will be disqualified, and, if already admitted to the Academy, removed.

(5) The candidate must send the following documents with his application :—

(i) A treasury receipt or crossed Indian postal orders payable to the Secretary, Union Public Service Commission for Rs. 37-8-0 (Rs. 9-6-0 in the case of candidates belonging to scheduled castes or scheduled tribes). Fees in cash or by cheque are not acceptable.

(ii) A certificate of age.

(iii) A certificate of educational qualification in original.

Details of the required documents are given below :—

Candidates are warned that if the application is incompletely or wrongly filled up or is not accompanied by the documents mentioned in items (ii) and (iii) above or by a reasonable explanation for the absence of such documents, it will be summarily rejected and that no appeal against its rejection will be entertained. Candidates are hereby further warned that they must submit the documents which they have not submitted with their applications and for the absence of which they have given explanation in their applications, soon after the submission of the applications. In any case, they must be sent so as to reach the Commission's office one month before the date of the commencement of the examination ; otherwise their candidature for the examination will be cancelled.

Candidates are also warned that they should in no case tamper with the entries in the documents submitted by them. Candidates found guilty of tampering are liable to be prosecuted in addition to being permanently debarred from Commission's examinations and selections and from employment under Government.

(i) A treasury receipt or crossed Indian postal orders for Rs. 37-8-0 (Rs. 9-6-0 in the case of candidates belonging to scheduled castes or scheduled tribes). The amount may be deposited in the nearest Government Treasury, or in a branch of the Imperial Bank of India or in a State Treasury authorised to transact business on behalf of Governments. (Amounts deposited at Bombay, Calcutta, Delhi or Madras should be deposited in the Reserve Bank of India instead of in the Imperial Bank of India). The treasury or Bank should be asked to credit it to Government under the account head "XXXVI—Miscellaneous Departments—Examination Fees—Receipts of the Union Public Service Commission."

Candidates must see that they are eligible and must decide definitely to enter for the examination before depositing the fee in the treasury (or Bank). The application fee will not be returned in any circumstances whatever nor will it be held in reserve for any other examination (or selection) once an application has been considered by the Commission.

A refund of Rs. 30 (Rs. 7-8-0 in the case of candidates belonging to scheduled castes or scheduled tribes) will however be allowed to a candidate if he is not admitted to the examination by the commission or having been admitted secures 35 per cent or more of the aggregate marks at the written examination. The name of the examination and of the Treasury at which the fee is deposited should be clearly entered in the Treasury Receipt. The Treasury receipt should be on the form pertaining to Central Government transactions and should be obtained from the treasury at which the fee is deposited.

Note 1.—Candidates who are in the United Kingdom, Australia, Pakistan, Burma, Ceylon or Malaya at the

time of submitting their applications should deposit the amount of their prescribed fee [the equivalent fee of Rs. 37-8-6 (Rs. 9-6-0 in the case of candidates belonging to scheduled castes or scheduled tribes) in the Office of the High Commissioner for India in the United Kingdom, Australia, or Pakistan or in the Office of India's Ambassador in Burma or in the Office of the Government of India's Representative in Ceylon or Malaya, as the case may be, and forward the receipt from that office.

Note 2.—Cash or cheques will not be accepted by the Union Public Service Commission. All Postal Orders should be crossed and made payable at New Delhi Post Office and in no case will Postal Orders payable at any other Post Office be accepted.

Note 3.—An application not accompanied by a Treasury Receipt or crossed Indian postal orders for Rs. 37-8-0 (Rs. 9-6-0 in the case of candidates belonging to scheduled castes or scheduled tribes) will be summarily rejected and no explanation for inability to send the Treasury Receipt or crossed Indian Postal Orders with the application will be considered. This does not apply to displaced persons seeking remission of the fee (*vide* para 12 below).

(ii) Certificate of age (see paragraphs 4 and 5 of the Notification).

(a) The only proof of age ordinarily accepted by the Commission is the age or date of birth entered in the Matriculation or equivalent certificate. This certificate must be sent with the application in original.

If a Matriculation or equivalent certificate does not give the exact date of birth, the candidate must send in addition to the Matriculation or equivalent certificate, a certificate (in original) from the Headmaster of the High School which he first attended showing the date of his birth or his exact age as recorded at the time of his admission to the school. An anglo-Indian or an Indian Christian may send his original Baptismal or Birth Registration Certificate instead of the Headmaster's certificate.

A candidate who has passed the Matriculation or equivalent examination as a private student must submit, in addition to the Matriculation or equivalent certificate, a certificate from the Headmaster of the School which he first attended showing the date of his birth or his exact age as recorded in the school admission register. If no school was ever attended, a certified extract from the Municipal Birth register relating to himself or some other convincing proof in support of the age stated in the Matriculation certificate should be submitted. The application of a private student who can produce no satisfactory evidence in support of the age stated in his Matriculation or equivalent certificate may be rejected.

If the Matriculation certificate has not been issued to a candidate, he should submit along with his application an age certificate from the Headmaster of the School from where he appeared in the Matriculation Examination. Such a candidate will be required to submit his original Matriculation certificate before he is admitted to the National Defence Academy. He will be disqualified if later on it is found that the date of birth claimed by him in the application differs from that entered in his Matriculation Certificate unless the discrepancy is explained to the satisfaction of the Union Public Service Commission.

Note 1.—A transfer certificate from a school or college will not be accepted as evidence of age.

Note 2—The age and nationality certificate issued by some State authorities is not required.

Note 3.—Displaced persons, who have lost their original Matriculation Certificates in Pakistan, should obtain duplicate certificate from the University concerned. If they are unable to obtain the duplicate Matriculation Certificates from the University, they should submit an extract from the University Gazette in which their results were published showing their date of birth and certified by the Registrar or the Headmaster.

Note 4.—Ordinarily the Commission do not accept a date of birth other than that proved or supported by the Matriculation Certificate. If they do so, they require not only convincing proof of the date claimed but also a satisfactory explanation of the incorrect entry in the Matriculation Certificate. When once a date of birth has been claimed and accepted by the Commission for the purpose of admission to an examination, no change will be allowed at a subsequent examination. Candidates who wish to challenge the entry of their age in a Matriculation Certificate must do so at the first opportunity. In such cases, a candidate must send direct to the Union Public Service Commission all the evidence on which he bases his claim as soon as he has submitted his application.

(*b*) Cadets of the P.W.M College, Debra Dun or K.G.M. Colleges must submit a certificate of age from the Principal of the College and no other certificate as evidence of age will be required.

(iii) Certificate of educational qualifications. (See paragraph 9 of the Notification).—A certificate or diploma in original showing that the candidate has one of the qualifications prescribed for the examination. The certificate submitted must be one issued by the authority (*i.e.* University or other examining body) awarding the particular qualification. If such a certificate or diploma is not submitted, the candidate must explain its absence, and submit such other evidence (in original) as he can to support his claim to the requisite qualifications. The Commission will consider this evidence on its merits but do not bind themselves to accept it as sufficient.

Note.—Candidates who have appeared or intend to appear at an examination the passing of which would render them eligible to appear at this examination but have not been informed of the result, may apply for admission to the examination. Their applications will be accepted provisionally and they will be required to furnish proof of having passed the qualifying examination as soon as possible and in any case not later than the date of the commencement of this course, if finally selected.

(6) Candidates may be required at the interview by the Services Selection Board to produce the original of any documents of which copies have been submitted.

(7) Copies of the certificates mentioned in paragraph 5 (ii) and (iii) above should also be submitted along with the originals. If the candidate has already submitted any of these certificates in connection with another examination conducted by the Union Public Service Commission and if they have not yet been returned to him, he should mention the fact when submitting his application, and if possible, enclose a copy of the certificate. If the certificate is not with the Commission, it should be sent with the application irrespective of whether the candidate appeared at a previous examination conducted by the Commission or not. If any certificate cannot be submitted with the application, reasonable explanation of its absence must be given.

Candidates are advised to keep attested copies of their original certificates with them before submitting them to the Union Public Service Commission, as the Commission cannot undertake to return the original certificates until orders are passed on their applications, nor can they undertake to supply attested copies to candidates.

Note.—Certificates other than those mentioned in paragraph (5) (ii) & (iii) above will not be returned.

(8) All communications in respect of an application should be addressed to the Secretary, Union Public Service Commission, Parliament House, Post Box 186, New Delhi, and should contain the following particulars :—

Name of Examination.
Month and year of Examination.
Roll No. (if communicated to the candidate).

Name of candidate.
Address as given in application.

Communications not giving these particulars may not be attended to.

(9) The fact that an application form has been supplied on a particular date will not be accepted as an execuse for the late submission of an application or as an evidence of the receiver's eligibility to compete.

(10) Every candidate for admission to the examination will be informed at the earliest possible date of the result of his application. It is not possible for the Union Public Service Commission, however, to say when that result will be communicated.

All returnable certificates or papers will be returned when the result of his application is communicated to the candidate.

(11) Candidates must make arrangements to see that communications sent to them at the address stated in their applications are redirected, if necessary. Also any change of address should be communicated at once to the Secretary of the Public Service Commision.

If a change of address has taken place after the examination, it should also be notified to Army Head-quarters, A.G.'s Branch, S.P.2, Defence, H.Q., Post Office, New Delhi-II. Although the authorities make every effort to take account of changes in candidates' addresses they cannot accept any responsibility in the matter.

(12) (i) A displaced person seeking remission of the prescribed fee should forward along with his application his Refugee Registration Card (in original) and a certificate (also in original) from a District Officer of a Gazetted Officer of Government or a Member of the Parliament or State Legislature to show that he is not in a position to pay the prescribed fee.

(ii) A person who has migrated to India from Pakistan and in whose case a certificate of eligibility is required in terms of the Note under Rule 6 or who is a non-Gurkha subject of Nepal or a subject of Sikkim or of a Portuguese or French possession in India should apply to the Government of India, Ministry of Defence, for issue of the required certificate of eligibility in his favour.

(iii) If a certificate of eligibility is not necessary in the case of a person who has migrated from Pakistan, *vide* Note under Rule 6, he should produce an affidavit sworn before a First Class Magistrate in one of the following forms, whichever may be applicable to him :—

1. "I declare that I migrated to India from Pakistan before the 19th July 1948 and have ordinarily been resident in India since then."
2. "I declare that I migrated to India from Pakistan after 18th July 1948 but before the 30th September 1948 and have ordinarily been resident in India since then."

I further declare that I had

— *got myself registered as a citizen of India before the 26th January 1950."

*entered the Union Services without a certificate of eligibility under the old instructions before the 26th January 1950."

*Delete the portion not applicable.

APPENDIX I.

PHYSICAL CONDITIONS FOR ADMISSION TO THE NATIONAL DEFENCE ACADEMY (MILITARY WING).

1. To be passed as fit for a commission in the regular Army a candidate must be in good mental and bodily health, and free from any physical defect likely to interfere with the efficient performance of military duty.

2. The minimum acceptable height for a candidate is 62 inches except in the case of Gurkhas, Nepalese, Assamese and Garhwali candidates in whose case the height in co-relation table may be reduced by 2".

The co-relation of age, height, chest girth and weight will not be less than those given in the following table.—

Age last birthday	Height without shoes	Chest		Weight	
		Girth when fully expanded.	Range of expansion not less than	Minimum	Maximum
Years	Inches	Inches	Inches	lbs.	lbs.
17 to 18	62 and under 65	33	2	96	121
	65 and under 68	33½	2	106	131
	68 and under 72	34	2	116	141
	72 and upwards	34	2	126	...
19	62½ and under 65	33½	2	98	123
	65 and under 68	34	2	108	133
	68 and under 70	34½	2	118	143
	70 and under 72	34½	2	128	153
	72 and upwards	35	2	138	...
20 and upwards	62½ and under 65	33½	2	100	125
	65 and under 68	34	2	110	135
	68 and under 70	34½	2	120	145
	70 and under 72	34½	2	130	155
	72 and upwards	35	2	140	...

3. The candidate's height will be measured as follows :—

He will be placed against the standard with his feet together, and the weight thrown on the heels and not on the toes or outer sides of the feet. He will stand erect without rigidity and with the heels, calves, buttocks and shoulders touching the standard; the chin will be depressed to bring the vertex of the head level under the horizontal bar, and the height will be recorded in inches and parts of an inch to quarters.

4. The candidate's chest will be measured as follows :—

He will be made to stand erect with his feet together, and to raise his arms over his head. The tape will be so adjusted round the chest that its upper edge touches the inferior angles of the shoulder-blades behind, and its lower edge the upper part of the nipples in front. The arms will then be lowered to hang loosely by the side, and care will be taken that the shoulders are not thrown upwards or backwards so as to displace the tape. The candidate will then be directed to take a deep inspiration several times, and the maximum expansion of the chest will be carefully noted.

The minimum and maximum will then be recorded thus

in inches $\frac{33}{35}$, $\frac{34}{36}$, etc.

In recording the measurements, fractions of less than half an inch should not be noted.

5. The candidate will also be weighed, and his weight recorded in pounds. Fractions of a pound should not be noted.

6. The examination for determining the acuteness of vision includes two tests; one for distant, the other for near vision. The Army Test Types will be used for the test for distant vision, without glasses at a distance of 20 feet, and for the test for near vision without glasses, at any distance selected by the candidate. The standards of the minimum acuteness of vision with which a candidate will be considered fit are as follows:—

STANDARD I

Right eye	Left eye
Distant vision—V 6/6	V 6/6
Near vision—Reads 0,6	Reads 0.6

STANDARD II

Better eye	Worse eye
Distant vision—V 6/6	V, without glasses=not below 6/60 and after correction with glasses=not below 6/24.
Near vision—Reads 0,6	Reads 1.

STANDARD III

	Better eye	Worse eye
Distant vision	V, without glasses not below 6/60, and after correction with glasses=not below 6/6.	V, Without glasses=not below 6/60 and after correction with glassess=not below 6/24.
Near vision	Reads 0,8 ...	Reads 1.

Each eye must have a full field of vision as tested by hand movements.

Squint or any morbid condition of the eyes or of the lids of either eye liable to the risk of aggravation or recurrence will cause rejection of the candidate.

Each eye will be examined separately and the lids kept wide open during the test.

Inability to distinguish the principal colours will not be regarded as cause for rejection but the fact will be noted in the proceedings and the candidate informed. No relaxation of the standard of vision will be allowed.

7. The following additional points will then be observed :—

(a) That his hearing is good and there is no sign of ear disease.

(b) That his speech is without impediment.

(c) That his teeth are in good order. He must have 10 sound teeth in the upper jaw functionally opposed to 10 sound teeth in the lower jaw. Two of these teeth in each jaw must be molars. Well filled teeth will be considered as sound.

(d) That his chest is well formed and that his lungs and heart are sound.

(e) That he is not ruptured.

(f) That he does not suffer from a severe degree of varicocele* or varicose veins. A candidate who has been successfully operated on will be accepted.

(g) That his limbs are well formed and developed.

(h) That there is free and perfect motion of all joints.

(i) That his feet and toes are well formed.

(j) That he does not suffer from any inveterate skin disease.

(k) That he has no congenital malformation or defect.

(l) That he does not bear traces of previous acute or chronic disease pointing to an impaired constitution.

(m) That he has been vaccinated successfully (or twice unsuccessfull † within the last five years.

APPENDIX II.

The following will be the subjects for the examination :—

English.

(1) Essay writing. Choice of three or four subjects may be given.

(2) Precis Writing. A passage of 300 to 350 words may be given.

(3) Letter Writing. Narration, Description and Dialogue writing.

(4) Questions on synonyms, antonyms, idiomatic use of words and phrases and common errors, if necessary, to be split into parts.

(5) Parts of speech; Simple Analysis, Syntax and direct and indirect speech :

Note.—Questions 1 and 2 will be compulsory. Alternative questions may be set as far as questions 3, 4 and 5, are concerned. The object of the paper is to test the candidate's ability to write the English language correctly. Account will be taken of arrangement, subject matter, general expression and command of English.

General Knowledge and Current Affairs.

The paper will be divided into two parts :

Part A—dealing mainly with Current Affairs and History ;

Part B—dealing with Science and Geography.

The following syllabus is designed to indicate the scope of each subject included in this paper. The topics mentioned are not to be regarded as exhaustive and questions on topics of similar nature not mentioned in the syllabus may also be asked. Candidates' answers are expected to show their intelligent understanding of the question and not knowledge of any text book.

---

*Severe varicocele is defined as follows :—

(1) Where the mass of veins is so great that it hangs down in front of the testicle when the candidate stands up.

(2) If the cord is elongated to such an extent that the testicle hangs at a level obviously lower than normal, of course allowing for the fact that the left testicle is usually at a lower level than the right.

(3) If there is atrophy to such an extent that the affected testicle is estimated at less than half of the bulk of gland on the sound side.

(4) Undescended testicle should only be considered a disqualification when situated within the inguinal canal, or at the external ring.

†In support of this, the candidate will be required to produce a certificate signed by a Medical Officer.

PART A.

Current Events.—Knowledge of important events that have happened in India during the past two years. India's system of Government. Important measures of legislation whether undertaken by the Parliament or State Legislatures. Broad questions of India's policy relating to foreign affairs. Questions set will test the factual knowledge of candidates.

World events of international importance. Important personalities, both Indian and Foreign. Sports and other cultural activities of outstanding importance.

Indian History.—Broad outline knowledge of Indian History. Knowledge of India's ancient culture and civilisation as disclosed by monuments, ancient buildings and masterpieces of literature. Growth of self-government. Main stages in the national Movement leading to independence.

World History.—Elementary knowledge of major events in world history. Reforms or national movements such as represented by the French Revolution. Industrial Revolution in the U. K., the American War of Independence, the foundation of U. S. S. R., World Wars I and II, Modern freedom movements in Asia.

PART B.

Science.—Physical properties and states of matter and simple measurements of mass, weight, density and specific gravity. Simple physical and chemical changes and phenomena. Modern sources of power.

Elementary knowledge of the human body and of its important organs.

Main constituent of foods used in daily life.

Names and uses of common animals, trees, plants, flowers, birds, minerals, drugs, etc.

Common epidemics, their causes, means of prevention and cure.

Eminent Scientists and their achievements.

Geography.—The shape and movements of the earth. The main climatic and vegetation regions. Human occupations and activities in relation to physical conditions and climatic factors. Distribution of the major resources of food, minerals and industrial products. More detailed knowledge of Indian Geography on the above topics will be expected.

Mathematics I.

Arithmetic.—Candidates should be familiar with the British Metric and Indian systems of weights and measures and with the monetary systems of pounds, shillings and pence; rupees, annas and pies.

Unitary method; vulgar and decimal fraction and the extraction of square roots; proportion and proportional

parts; calculation of averages; percentage, simple and compound interest; profit and loss; stocks and shares. Elementary mensuration. Candidates will be required to know simple formulas for determining volumes and areas associated with the rectangular block, the circular cylinder, and the sphere.

Candidates may be required to give results to a specified degree of approximation, but the use of contracted methods of multiplication and division is not essential; the use of logarithms will be allowed unless forbidden in certain questions.

Mathematics II.

Algebra.—Elementary algebraic operations, formulas expressing arithmetical generalisation; change of subject of a formula, factors, fractions. The use of fractional and negative indices and the elementary theory of logarithms. Solution of linear equations involving not more than two unknowns and quadratic equations involving only one unknown; the solution of simultaneous equation, one linear and one quadratic, involving two unknowns; and simple problems leading to such equations. The use of the remainder theorem; ratio and proportion; variation. Graphs and their simple applications.

Note.—In all calculations candidates will be permitted to use logarithmic tables.

Geometry.—The paper in Geometry will contain questions on Practical and Theoretical Geometry.

The question on Practical Geometry will be set on the constructions contained in Schedule A, together with easy extensions of them. In cases where the validity of a construction is not obvious, the reasoning by which it is justified may be required. Every candidate must provide himself with a ruler graduated in inches and tenths of an inch, and in centimetres and millimetres, a set square, a protractor, compasses, and a fairly hard pencil. All figures must be drawn accurately and distinctly. Questions may be set in which the use of the set square or of the protractor is forbidden.

The questions on Theoretical Geometry will consist of theorems contained in Schedule B, together with questions upon these theorems, easy deductions from them, and arithmetical illustrations. Any proof of a proposition will be accepted which appears to the examiners to form part of a systematic treatment of the subject; the order in which the theorems are stated in Schedule B is not imposed as a sequence of their treatment. In the proof of theorems and deductions from them, the use of hypothetical constructions will be permitted.

Questions will be set on Schedules A (i), A (ii), A (iii) and B (i), B (ii), B (iii). The use of algebraical symbols and (in the solution of riders) of trigonometrical ratios is permitted.

GEOMETRY SCHEDULES.

SCHEDULE A (*Practical*).

A (i).

Bisection of angles and of straight lines.

Construction of perpendiculars to straight lines.

Construction of an angle equal to a given angle.

Construction of angles of 60°, 45° and 30°.

Construction of parallel to a given straight line.

Simple cases of the construction from sufficient data of triangles and quadrilaterals.

Division of straight lines into a given number of equal parts or into parts in any given proportions.

A (ii).

Construction of a triangle equal in area to a given polygon.

Construction of tangents to a circle and of common tangents to two circles.

Construction of circumscribed, inscribed and escribed circles of a triangle.

A (iii).

Simple cases of the construction of circles from sufficient data.

Construction of a square equal in area to a given polygon.

Construction of a fourth proportional to three given straight lines and a mean proportional to two given straight lines.

Construction of regular figures of 3, 4, 6, or 8 sides in or about a given circle.

SCHEDULE B (*Theoretical*).

(An asterisk indicates that proof of the theorem will not be required.)

B (i).

Angles at a Point.

*If a straight line stands on another straight line, the sum of the two angles so formed is equal to two right angles; and *the converse.

*If two straight lines intersect, the vertically opposite angles are equal.

Parallel Straight Lines.

When a straight line cuts two other straight lines, if

(i) a pair of alternate angles are equal, or

(ii) a pair of corresponding angles are equal, or

(iii) a pair of interior angles on the same side of the cutting line are together equal to two right angles,

then the two straight lines are parallel; and *the converse.

Straight lines which are parallel to the same straight line are parallel to one another.

Triangles and Rectilinear Figures.

The sum of the angles of a triangle is equal to two right angles.

In a polygon of n sides, the sum of the interior angles is equal to 2n—4 right angles.

If the sides of a convex polygon are produced in order, the sum of the angles so formed is equal to four right angles.

*If two triangles have two sides of the one equal to two sides of the other, each to each, and also the angles contained by those sides equal, the triangles are congruent.

*If two triangles have two angles of the one equal to two angles of the other, each to each, and also one side of the one equal to the corresponding side of the other, the triangles are congruent.

If two sides of a triangle are equal, the angles opposite to these sides are equal, and the converse.

*If two triangles have the three sides of the one equal to the three sides of the other, each to each, the triangles are congruent.

*If two right-angled triangles have their hypotenuses equal, and one side of the one equal to one side of the other, the triangles are congruent.

*If two sides of a triangle are unequal, the greater side has the greater angle opposite to it; and *the converse.

*Of all the straight lines that can be drawn to a given straight line from a given point outside it, the perpendicular is the shortest.

The opposite sides and angles of a parallelogram, are equal, each diagonal bisects the parallelogram, and the diagonals bisect each other.

If a pair of opposite sides of a quadrilateral are equal and parallel, it is a parallelogram.

The straight line drawn through the middle point of one side of a triangle parallel to another side bisects the third side.

The straight line joining the middle points of two sides of a triangle is parallel to the third side, and equal to one half of it.

If there are three or more parallel straight lines, and the intercepts made by them on any straight line that cuts them are equal, then the corresponding intercepts on any other straight line that cuts them are also equal.

B (ii)

Areas

Parallelograms on the same base and of the same altitude are equal in area.

Corollary.—The area of a parallelogram is equal to the area of a rectangle on the same base and of the same altitude.

Parallelograms on equal bases and of the same altitude are equal in area.

Triangles on the same or equal bases and of the same altitude are equal in area.

*Equal tringles on the same or equal bases are of the same altitude.

In a right-angled triangle, the square described on the hypotenuse is equal to the sum of the square described on the sides containing the right angle; and the converse.

Loci.—The locus of a point which is equidistant from two fixed points is the perpendicular bisector of the straight line joining the two fixed points.

The locus of a point which is equidistant from two intersecting straight lines consists of the pair of straight lines which bisect the angles between the two given lines.

The Circle.—A straight line drawn from the centre of a circle to bisect a chord which is not a diameter, is at right angles to the chord; conversely, the perpendicular to a chord from the centre bisects the chord.

*There is one circle, and one only, which passes through three given points not in a straight line.

Equal chords of a circle are equidistant from the centre; and the converse.

*The tangent at any point of a circle and the radius through the point are perpendicular to each other.

If two circles touch, the point of contact lies on the straight line through the centres.

The angle which an arc of a circle subtends at the centre is double that which it subtends at any point on the remaining part of the circumference.

Angles in the same segment of a circle are equal, and if the line joining two points subtends equal angles at two other points on the same side of it, the four points lie on a circle.

The angle in a semicircle is a right angle.

The circle described on the hypotenuse of a right-angled triangle as diameter passes through the opposite vertex.

The opposite angles of any quadrilateral inscribed in a circle are supplementary; and the converse.

B (iii)

Areas.—The square on a side of a triangle is greater or less than the sum of the squares on the other two sides, according as the angle contained by those sides is obtuse or acute The difference is twice the rectangle contained by one of the two sides and the projection on it of the other.

In any triangle, the sum of the squares on any two sides is equal to twice the square on half the third side together with twice the square on the median which bisects the third side.

The Circle.—In equal circles or in the same cricle *(i) if two arcs subtend equal angles at centres, they are equal; (ii) conversely, if two arcs are equal, they subtend equal angles at the centre.

In equal circles or in the same circle *(i) if two chords are equal, they cut off equal arcs; (ii) conversely if two arcs are equal, the chords of the arcs are equal.

If a straight line touches a circle, and from the point of contact a chord be drawn, the angles which this chord makes with the tangent are equal to the angles in the alternate segments.

If two chords of a circle intersect either inside or outside the circle the rectangle contained by the parts of the one is equal to the rectangle contained by the parts of the other

Proportion; Similar Triangles

(Proofs which are applicable only to commensurable magnitudes will be accepted.)

If a straight line is drawn parallel to one side of a triangle, the other two sides are divided proportionally; and the converse.

*If two triangles are equiangular their corresponding sides are proportional and *the converse.

*If two triangles have one angle of the one equal to one angle of the other and the sides about these equal angles proportional, the triangles are similar.

If a perpendicular is drawn from the right angle of a right-angled triangle to the hypotenuse, the triangles on each side of the perpendicular are similar to the whole triangle and to each other.

The internal bisector of an angle of a triangle divides the opposite side internally in the ratio of the sides containing the angle, and likewise the external bisector externally.

The ratio of the areas of similar triangles is equal to the ratio of squares on corresponding sides.

Elementary Trigonometry

(Questions on Trigonometry will be optional)

(1) Measurement of angles.

Sexagesimal measure and circular or Radial measure Conversion of circular measure into Sexagesimal measure and *vice versa.*

(2) Trigonometrical ratios for angles less than a right angle.

The following trigonometrical ratios will be considered.

Sine, Cosine, Tangent, Cotangent, Secant and Cosecant of an angle.

Values of these trigonometrical ratios for angles of 0, 30, 45, 60 and 90 degrees.

(3) Trigonometrical ratios of angles of any size and sign.

Values of trigonometrical ratios for.

0, 90—0, 90—0, 180—0,180—0.

Ability to read values of trigonometrical ratios or angles from trigonometrical tables.

(4) Application of the trigonometrical ratios in solving simple practical problems in Heights and distances.

4. From the marks assigned to candidates in each subject such deduction will be made as the Union Public Service Commission may consider necessary in order to secure that no credit is allowed for merely superficial knowledge.

5. If a candidate's handwriting is not easily legible a deduction will be made on this account from the total marks otherwise accruing to him. Marks will also be deducted for bad English spelling.

UNION PUBLIC SERVICE COMMISSION.

APPLICATION FORM FOR ADMISSION TO THE Military Wing OF THE NATIONAL DEFENCE ACADEMY.

[A treasury receipt or crossed Indian Postal Orders for Rs. 37-8-0 (Rs. 9-6-0 in the case of candidates belonging to *scheduled castes or scheduled tribes) must be forwarded with this application. An application not accompanying by a Treasury Receipt or crossed Indian Postal Orders will not be considered. (This does not apply to displaced persons seeking remission of the fee, *vide* para 12 of Instructions to candidates)].

SECTION "A" TO BE COMPLETED BY THE CANDIDATE

All columns should be completed and all answers should be given in words and not by dashes or dots.

1. Name in full (in block capitals)	
2. (a) Postal address in full. (b) Nearest Railway Station. Any change of address should be communicated at once to the Secretary of the Union Public Service Commission and after the examination also to the A. G.'s Branch, SP 2, Army Headquarters, Defence H. Q. Post Office, New Delhi-11. NOTE.—Candidates must make arrangements to see that communications sent to them at the addresses stated in their applications are redirected, if necessary. The authorities concerned make every effort to take account of changes in candidates' addresses but cannot accept any responsibility in this matter.	
3. Exact date of birth	
4. (a) Place of birth and State in which it is situated ... (b) State to which you belong ... ... (c) District to which you belong ... ... (d) Give below particulars of place (s) where you have lived for more than six months during the last three years.	(a) (b) (c) (d)

Place (including district) of residence	Address	Period of residence with dates

5. At which of the following places do you wish to appear for the examination: Allahabad, Bombay, Calcutta, Delhi, Madras or Nagpur? NOTE 1.—This list of centres is liable to change. NOTE 2.—Ordinarily no request for a change in the place selected by the candidate will be entertained.	
6. Are you a citizen of India by birth and/or by domicile?	
7. If you are not a citizen of India, to what place do you claim to belong?	
8. (a) Is a certificate of eligibility necessary in your case? (b) If so, (i) have you applied to the Ministry of Defence for issue of a certificate of eligibility in your favour? (ii) do you understand that your admission to the Academy, if successful, will be subject to a certificate of eligibility being given in your favour?	
9. (i) State your Religion (ii) Are you a member of a *scheduled caste or scheduled tribe? (Answer 'Yes' or 'No'). If the answer is 'Yes' give particulars and attach a certificate from your District Magistrate in support of your claim.	
10. What is your father's name and address? If dead, state last address.	

*Note.—'Scheduled Castes' or 'Scheduled tribes' means any of the races, castes, sects or tribes specified as such by the President of India.

11. Is he or was he a citizen of India by birth and/or by domicile?	
12. Did your father ever change his nationality? If so, give particulars.	
13. (a) What is or was his occupation? ... ... (b) What is or was the monthly income of your father? ...	(a) (b)
14. (a) If your father is dead, give full address of your guardian ... (b) What is his occupation and monthly income	(a) (b)
15. Give the name, address and occupation of your next of kin showing relationship.	
16. (a) Did you appear at, or apply for admission to, any examination or selection held previously by the Federal (now Union) Public Service Commission for recruitment to any service or post under Government? Answer "Yes" or "No" as the case may be. Do not reply by a dash or by dots. (b) Have you applied for any other examination or selection to be held shortly by the Union Public Service Commission? If the answer be "Yes" give the name(s) of examination or selection.	

17. If the answer to item 16 (a) is "Yes", supply the following information as far as possible.

Name of examination or selection	Year	Whether you were admitted to the examination and whether you appeared thereat	Your Roll Number	Rank

18. (a) Have you served in the Army, Navy or Air Force in any capacity? If so, give details. (b) (i) Have you ever served in the N.C.C. or in the Cadet or University Training Corps? (ii) If so, give particulars of periods served and ranks attained. State also your Corps number and the name of the School or College from which you were enrolled. (iii) What certificate of training have you gained? (Attach your discharge certificate or a true copy of it to this application). (c) (i) Have you ever been a Boy Scout? (ii) If so, give all particulars.	
19. Did you ever apply or attend a Selection Board interview for any type of commission in the Army, Navy, Air Force or State Forces? If so, give all particulars and the results obtained. Also state if you have been in the past to the Armed Forces (now National Defence) Academy, Dehra Dun or to an officers' Training School for Army, Navy or Air Force. Give details.	

20. Name in order, with dates of entering and leaving, the places of education you have attended.

Place of Education and names of Institutions in which you were/are educated	Class up to which you studied	Month and year of entry	Month and year of leaving

21. (a) Give particulars of all examinations (if any) you have passed and the class, division or other distinction obtained commencing with the Matriculation or equivalent examination.

Examination or Degree	Class or Division		Year	Subjects taken	(a) Name of University. (b) College, Hall or Hostel.
	Pass	Hons.			

(b) (i) State whether you passed the Matriculation examination as a private candidate.	(i)
(ii) If so, who recommended your application?	(ii)
22. (a) What games do you play or have you played?	(a)
(b) Name any position of authority (*e.g.*, School monitor) or distinction in games or athletics you have achieved, mentioning dates.	(b)
23. Give the name and address of the Principal or Head of the College or School at which you were last educated or are now being educated.	
24. If your time since leaving school or college is not fully accounted for by the replies given above, account for the remainder here with dates. If you have had employers, state their names and addresses in full.	

25. State the name of the Treasury, Bank or Post office from which you submit a treasury receipt or postal orders and the numbers and date of the treasury receipt or postal orders.

Name of Treasury, Bank or Post Office	Number of Treasury Receipt or Postal Orders	Date	Value	
			Rs.	As.

Give a list of the documents enclosed (*vide* para 5 of Instructions to Candidates):—

DECLARATIONS TO BE SIGNED BY THE CANDIDATE.

1. I hereby declare that the statements made in this form are true to the best of my knowledge and belief; that I am not married and I undertake that I will not marry, while I am a candidate for admission to or am under training or the Army and that—

(a) I am a citizen of India.
(b) I am a Gurkha subject of Nepal and a certificate of eligibility is not necessary in my case in terms of the Note under Rule 6.
(c) I am a non-Gurkha subject of Nepal and a certificate of eligibility is necessary in my case in terms of Rule 6.
(d) I was domiciled in areas which now form Pakistan but have migrated to India and certificate of eligibility is not necessary in my case in terms of the Note under Rule 6.
(e) I was domiciled in areas which now form Pakistan but have migrated to India and a certificate of eligibility is necessary in my case in terms of the Note under Rule 6.
(f) I am a subject of—
Sikkim.
a Portuguese possession in India.
a French possession in India.

} Strike out the portion not applicable to you.

2 I also declare that I have not incurred and, if accepted for training for the Army will not, during such training, incur any financial obligation which I would be bound to discharge out of my pay as an officer of the Armed Forces, if I receive a commission.

NOTE.—A candidate who marries subsequent to the date of his declaration, though successful at the ensuing or any subsequent examination, will not be selected for training A candidate who marries while under training will be discharged and will be liable to refund all expenditure incurred on him by the Government. The total estimated cost of training refundable by the parent or guardian of such a candidate will be notified later.

3 I understand that any medical examination conducted at any stage of the selection procedure does not necessarily mean that I have been selected.

REVENUE SECRETARIAT

Dated 23rd March 1951.

No. S.R. 7851—J.S. 3-50-292. It is notified for general information that in accordance with the rules under Section 144 of the Mysore Companies Act XVIII of 1938, His Highness the Maharaja of Mysore is pleased to sanction the grant of Auditor's Certificate to—

1 Name ... Sri B. Narayan Naik
2 Address ... No. 688, B. B. Extension, Kille Mohalla, Mysore.
3 Languages—Accounts in which the holder is entitled to audit. } English and Kannada.

By Order of His Highness the Maharaja,

658

Dated 20th April 1951.

No. L.B. 828—V.P. 10-50-20. Under Section 48 (1) of Mysore Land Acquisition Act, it is hereby notified that the acquisition of one acre of land out of Survey Nos. 86—4 and 86—5 situated towards the east of the same survey numbers in Sadarahalli Village, Turuvekere Taluk, sanctioned in Government Order No. L.B. 3036-9—V.P. 2-49-17, dated 21st September 1949 for construction of a school building is hereby withdrawn as the same is reported to be no longer required for the purpose originally intended.

By Order of His Highness the Maharaja,

(*f*) No. 2 Ground Training School, IAF Station, Tambaram, Madras.

(*g*) No. 1 Gokhale Road, Calcutta—20.

The fact that an application form has been supplied on whatever date will not be accepted as an excuse for the late submission of an application. Candidates who delay their requests for forms until a late date will do so at their own risk.

3. A candidate who desires to appear at the examination must submit his application on the prescribed form together with all the necessary documents in accordance with the instructions to Candidates regarding the filling up and submission of applications so as to reach the Union Public Service Commission, Parliament House, Post Box No. 186, New Delhi, on or before the 9th June 1951. Applications from candidates residing abroad should reach the Commission not later than the 23rd June 1951. No application received after the prescribed dates will be entertained.

Note.—Candidates, who appeared at the I.A.F. examination held in April 1951 and whose results are not yet known, are advised, if otherwise eligible, to submit their applications for appearing at this examination. If they are successful for the above course, their application will be cancelled by the commission.

4. Candidates for admission to this examination must have been born not earlier than 4th December 1930 and not later than 3rd June 1934. Candidates possessing "A" flying licence and born not earlier than 4th December 1927 and not later than 3rd June 1934 are also eligible to apply for this examination.

The age limits can in no case be relaxed.

5. Candidates must pay the following fees :—

Rs. 37-8-0 (Rs. 9-6-0 in the case of candidates belonging to the Scheduled Castes or scheduled tribes) with the application.

Note 1.—Only a Treasury Receipt or crossed Indian postal orders payable to the Secretary, Union Public Service Commission, for the amount will be accepted. The Commission cannot accept the fee in cash or by cheque.

Note 2.—No claim for a refund of this fee will ordinarily be entertained nor can it be held in reserve for any other examination or selection. A refund of Rs. 30 (Rs. 7-8-0 in case of candidates belonging to the Scheduled Castes or Scheduled Tribes) will, however, be made to candidates who are not admitted to the examination by the Commission. A refund of Rs. 30 (Rs. 7-8-0 in the case of candidates belonging to the Scheduled Castes or Scheduled Tribes) will also be made to those candidates who secure 30 per cent or more marks in the aggregate of the written examination.

Note 3.—The Commission may at their discretion remit the prescribed fee where they are satified that the applicant is a *bona fide* displaced person from Pakistan and is not in a position to pay the fee.

6. Candidates accepted for admission to the examination will be informed of the date, time and place of the examination in due course.

BISHAN DAS,

Secretary,

Union Public Service Commission.

MINISTRY OF DEFENCE

NOTIFICATION

New Delhi, the 12th May 1951

No. 604.—An examination for selection of candidates for entry into the Air Force Academy of the I.A.F. for the Course commencing in December 1951 will be held by the Union Public Service Commission at Allahabad, Bombay, Calcutta, Delhi, Madras and Nagpur towards the end of July 1951.

2. Candidates who qualify at the written examination announced by the Commission will be required to appear before the I.A.F. Selection Board which will make recommendations to the Government of India for the final selection of candidates for training for officer ranks of the I.A.F.

3. The number of vacancies to be offered on the results of this examination, will be fifty-nine.

4. (A) candidates for admission to this examination must have been born not earlier than 4th December 1930 and not later than 3rd June 1934.

(B) Candidates possessing "A" flying licence and born not earlier than 4th December 1927 and not later than 3rd June 1934 are also eligible to apply.

Candidates who are likely to possess "A" flying licence before the commencement of the course at the Academy can also be admitted to the examination provisionally, subject to their producing the required licence before they join the Academy. **The age limits can in no case be relaxed.**

5. A candidate must be an unmarried male and must either be—

(a) a citizen of India, or
(b) a subject of Sikkim, or
(c) a person who has migrated from Pakistan with the intention of permanently settling down in India or
(d) a subject of Nepal or of Portuguese or French possession in India.

Note.—The appointment of candidates in categories (c) and (d) above will be subject to the issue of certificates of eligibility in their favour by the Government of India. Certificates of eligibility will not however be necessary in the case of candidates belonging to any of the following categories :—

(1) Persons who migrated to India from Pakistan before 19th July 1948 and have ordinarily been resident in India since then ;
(2) Persons who migrated to India from Pakistan after 18th July 1948 but before 30th September 1948 and had got themselves registered as citizens within the time allowed ;
(3) Gurkha subjects of Nepal ; and
(4) Non-citizens who entered service under the Union before the commencement of the Constitution, *viz.*, 26th January, 1950, and who have continued in such service since then. Any such persons who re-entered or may re-enter such service with a break, after the 26th January 1950, will however require certificates of eligibility in the usual way.

6. Candidates should be medically fit in all respects for service in any part of the world. The standards of medical fitness are shown in Appendix I.

A number of qualified candidates are rejected subsequently on medical grounds. Candidates are therefore advised in their own interest to get themselves medically examined before applying, to avoid disappointment at the final stage.

7. Candidates must undertake not to marry until they complete their full training. A candidate who marries subsequent to the date of his application, though successful at this or any subsequent examination, will not be selected for training, and a candidate who marries whilst under training shall be discharged, and will be liable to refund all expenditure incurred on him by the Government. Commissioned Officers of the General Duties Branch of the Indian Air Force will not be eligible for allotment of married accommodation before they complete a minimum of three years' service, or before they attain the age of 25, whichever is earlier.

8. Candidates must have passed one of the following examinations or possess one of the following certificates;

(a) the Matriculation Examination of a recognised Indian University; or
(b) an examination accepted by any such University as equivalent to Matriculation Examination for the purpose of admission to a university course; or
(c) an examination held by a State Education Board at the end of the Secondary School Course for the award of a School Leaving, Secondary School, High School or any other Certificate which is accepted by the Government of that State as equivalent to Matriculation Certificate for entry into its services;
(d) the Cambridge School Certificate Examination ;
(e) any other examination which may be recognised by the Union Public Service Commission as equivalent to the above.
(f) the Indian Army Special Certificate of Education ;
(g) the certificate issued by the Inter-Provincial Board for Anglo-Indian and European Education, to 9th standard students who joined the Forces during the World War II ;
(h) the Higher Educational Test of the Indian Navy ;
(i) the Higher Secondary Technical Examination Certificate of the Board of Higher Secondary Education, Delhi ;
(j) the 10th Class certificate from a Higher Secondary School in Delhi/Simla ;
(k) Junior examination of the Jamia Millia Islamia, Delhi in the case of *bona fide* resident students of the Jamia only ;
(l) Bengal (Science) School Certificate :
(m) the Indian Air Force Educational Test for reclasification to Leading Aircraftsman;
(n) the Anglo-Vernacular School Leaving Certificate (Burma) with eligibility for University Course;
(o) The Burma High School Final Examination Certificate with eligibility for University Course ;
(p) European High School Examination held by the State Governments;
(q) Ceylon Senior School Certificate Examination ;
(r) School Leaving Certificate Examination of the Government of Nepal;
(s) I.M.N.T.S "Dufferin" Final Passing out Certificate ;
(t) Post War School Leaving Certificate of Burma ;
(u) Certificate granted by the East Bengal Secondary Education Board, Dacca;
(v) Advanced Class (Indian Navy) Examination.

Note.—Candidates who have appeared or intend to appear at any of the above examinations may also apply for admission to this examination. The applications of such candidates will be accepted provisionally and the successful ones at this examination will be required to furnish proof of their having passed that examination as soon as possible and in any case before they join the Academy.

9. A candidate must satisfy the Union Public Service Commission and the appointing authority that he is suitable in all respects for admission to the Air Force Academy of the I.A.F.

10. The decision of the Union Public Service Commission as to the eligibility or otherwise of a candidate for admission to the examination shall be final.

11. No candidate shall be admitted to the examination unless he holds a certificate of admission from the Union Public Service Commission.

12. Any attempt on the part of a candidate or his relations / friends to enlist support for his candidature will disqualify him for admission.

13. The maximum number of candidates to be admitted to the examination may at the discretion of the Commission be limited to such number as the Commission may decide. If a limit is imposed and the number of candidates exceeds that limit, the Union Public Service Commission shall select from among the applicants those who shall be admitted to the examination and shall have regard in so doing to the suitability of the applicants for admission to the Air Force Academy of the I.A.F.

14. (A) The examination will be conducted by the Union Public Service Commission in the manner prescribed in Appendix II to the Notification. In order to qualify in the written examination candidates must obtain 33 1/3 per cent of marks in each subject and 40 per cent in the aggregate.

14. (B) The maximum number of marks obtainable at the I.A.F Selection Board interview will be 900. In order to qualify in the interview candidates must obtain not less than 360 marks.

15. The Union Public Service Commission shall prepare a list of candidates in order of their merit as disclosed by the aggregate marks awarded to each candidate at the written examination. Candidates who obtain qualifying marks at the written examination shall appear before the I.A.F. Selection Board. Candidates to be acceptable should secure the minimum qualifying marks both in the

written examination and the I.A.F. Selection Board interview.

Subject to this condition, they will then be placed in the order of merit on the basis of the total marks secured. The final selection for admission to the Air Force Academy will be made in order of merit depending on the number of vacancies for the course.

Candidates will appear before the I.A.F. Selection Board, and undergo the tests thereat, at their own risk and will not be entitled to claim any compensation or other relief from Government in respect of any injury which they may sustain in the course of or as a result of any of the tests given to them at an I.A.F. Selection Board, whether due to the negligence of any person or otherwise. Candidates will be required to sign a certificate to this effect on the form appended to the application. In the case of candidates who are minors, the required certificate must be signed by their parents or guardians in the form prescribed.

16. Candidates finally selected for the I.A.F. will be admitted to the Air Force Academy and undergo training for a period of 18 months.

17. Commissions will be granted only on successful completion of training. The date of commission will be that following the date of successful completion of training. 70 per cent., of cadets successful completing flying training will be granted permanent commissions. The reminder will be granted short service commissions.

18. While the cost of training including accommodation, books, uniforms, boarding and medical treatment, will be borne by Government, candidates will be expected to meet their pocket expenses themselves. The minimum expenses at the Academy are not likely to exceed Rs. 30. Where cadets' parents or guardians are unable to meet wholly or partly, even this expenditure, financial assistance may be granted by the Government. No cadet whose parent or guardian has an income of Rs. 300 per mensem or above would be eligible for the grant of the financial assistance.

A candidate desirous of having any financial assistance should immediately after being finally selected for training at the Academy, submit an application through the District Magistrate of his District who will forward the application with his recommendation, to the Ministry of Defence, Government of India.

19. Candidates when called up for interview by the I.A.F. Selection Board or for subsequent training will be eligible for T.A. and D.A. in accordance with the rules then in force. Candidates who have previously been before the I.A.F. Selection Board for the same type of Commission are not entitled to T.A. and D.A. on subsequent occasions.

20. Pay and allowances, pension, leave and other conditions of service after the grant of commission will be identical with those applicable from time to time to regular officers of the I.A.F.

21. No candidate will normally be permitted to resign whilst under training. A civilian candidate who is not considered suitable to complete the full course of training may with the permission of Air Headquarters, be discharged.

22. An outfit allowance at the rates and under the general conditions applicable at the time for each cadet will be placed at the disposal of the Commandant of the Training Institution. The unexpended portion of this allowance will be :—

(i) handed over to the cadet on his being granted a commission; or

(ii) if he is not granted a commission, refunded to the State.

On being granted a commission, articles of clothing and necessaries purchased from this allowance shall become the personal property of the cadet. Such articles will, however, be withdrawn from a cadet who resigns whilst under training or who is removed or withdrawn prior to commissioning. The articles withdrawn will be disposed of to the best advantage of the State.

H. M. PATEL, Secy.

UNION PUBLIC SERVICE COMMISSION.

INSTRUCTIONS TO CANDIDATES REGARDING THE FILLING UP AND SUBMISSION OF APPLICATIONS FOR THE EXAMINATION FOR ENTRY INTO THE AIR FORCE ACADEMY OF THE I.A.F.

(1) A copy of the Notice, Notification, etc., for the Examination is sent herewith. (The fact that these papers are being supplied to a candidate is no evidence of his eligibility for admission to the examination. Candidates should consult them to see if they are eligible before filling up the application form or paying the prescribed fee. *The conditions prescribed cannot be relaxed*).

(2) The enclosed application form must be filled up in the candidate's own handwriting; and all answers must be given in words and not by dashes or dots.

The application form should be submitted direct to the Secretary, Union Public Service Commission, Parliament House (Post Box No. 186), New Delhi. A service candidate must submit his application through his Commanding Officer, who will, if he considers the candidate eligible forward it to the Union Public Service Commission with his recommendation (*vide* Section C of the application form). Applications of eligible candidates will not be withheld even if the candidates are not recommended. Cadets of the P.W.M. College, Dehra Dun, and K.G.M. Colleges should submit their applications through the Principal of the College.

(3) Applications should be sent by registered post when they cannot be presented in person. If a candidate fails to register his application, he does so at his own risk. If he desires an acknowledgment, he should send his application "Registered Acknowledgment Due."

(4) If before or after the examination it is found that a candidate has knowingly furnished any particulars which are false, or has suppressed material information, he will be disqualified, and, if already admitted to the Academy, will be liable to be removed.

(5) The candidate must send the following documents with his application :—

(i) A treasury receipt or crossed Indian postal orders payable to the Secretary, Union Public Service Commission for Rs. 37-8-0 (Rs. 9-6-0 in the case of candidates belonging to scheduled castes or scheduled tribes). Fees in cash or by cheque are not acceptable.

(ii) A certificate of age.

(iii) A certificate of educational qualification in original.

Details of the required documents are given below :—

Candidates are warned that if the application is incompletely or wrongly filled up or is not accompanied by the documents mentioned above or by a reasonable explanation for the absence of such documents it will be summarily rejected and that no appeal against its rejection will be entertained. Candidates are hereby further warned that they must submit the documents which they have not submitted with their applications and for the absence of which they have given explanation in their applications; soon after the submission of the applications. In any case, they must be sent so as to reach the Commission's office one month before the date of the commencement of the examination; otherwise their candidature for the examination will be cancelled.

Candidates are also warned that they should in no case tamper with the entries in the documents submitted by them. Candidates found guilty of tampering are liable to be prosecuted in addition to being permanently debarred from Commission's examinations and selections and from employment under Government.

(i) A treasury receipt or crossed Indian postal orders for Rs. 37-8-0 (Rs. 9-6-0 in the case of candidates belonging to the scheduled castes or scheduled tribes). The amount may be deposited in the nearest Government Treasury, or in a branch of the Imperial Bank of India or in a State Treasury authorised to transact business on behalf of Government. (Amounts deposited at Bombay, Calcutta, Delhi or Madras should be deposited in the Reserve Bank of India instead of in the Imperial Bank of India). The treasury or Bank should be asked to credit it to Government under the account head "XXXVI—Miscellaneous

Departments—Examination Fees—Receipts of the Union Public Service Commission".

Candidates must see that they are eligible and must decide definitely to enter for the examination before depositing the fee in the Treasury (or Bank). The application fee will not be returned in any circumstances whatever nor will it be held in reserve for any other examination (or selection) once an application has been considered by the commission.

A refund of Rs. 30 (Rs. 7-8-0 in the case of candidates belonging to scheduled castes or scheduled tribes) will however be allowed to a candidate who is not admitted to the examination by the commission or having been admitted secures 30 per cent or more of the aggregate marks in the written papers of the examination. The name of the examination and of the Treasury at which the fee is deposited should be clearly entered in the Treasury Receipt. The Treasury receipt should be on the form pertaining to Central Government transactions and should be obtained from the treasury at which the fee is deposited.

Note 1.—Candidates who are in the United Kingdom, Australia, Pakistan, Burma, Ceylon or Malaya at the time of submitting their applications should deposit the amount of their prescribed fee [the equivalent fee of Rs. 37-8-6 (Rs. 9-6-0 in the case of candidates belonging to the scheduled castes or scheduled tribes) in the Office of the High Commissioner for India in the United Kingdom, Australia, or Pakistan or in the Office of India's Ambassador in Burma or in the Office of the Government of India's Representative in Ceylon or Malaya, as the case may be, and forward the receipt from that office.

Note 2.—Cash or cheques will not be accepted by the Union Public Service Commission.

Note 3.—All Postal Orders should bear the signature of the issuing Postmaster and a clear stamp of the issuing Post Office. All Postal Orders should be crossed and made payable to Secretary, Union Public Service Commission at New Delhi Post Office and in no case will Postal Orders payable at any other Post Office be accepted. Defaced or mutilated Postal Orders will also not be accepted.

Note 4.—An application not accompanied by a Treasury Receipt or crossed Indian postal orders for Rs. 37-8-0 (Rs. 9-6-0 in the case of candidates belonging to the scheduled castes or scheduled tribes) will be summarily rejected and no explanation for inability to send the Treasury Receipt or crossed Indian Postal Orders with the application will be considered. This does not apply to displaced persons seeking remission of the fee (*vide* para 12 below).

(ii) Certificate of age (see paragraph 4 of the Notification).

(a) The only proof of age ordinarily accepted by the Commission is the age or date of birth entered in the Matriculation certificate or one of the other certificates listed in paragraph 8 of the notification. This certificate must be sent with the application in original.

If a Matriculation or equivalent certificate does not give the exact date of birth, the candidate must send in addition to the Matriculation or equivalent certificate, a certificate (in original) from the Headmaster of the High School which he first attended showing the date of his birth or his exact age as recorded at the time of his admission to the school. An anglo-Indian or an Indian Christian may send his original Baptismal or Birth Registration Certificate instead of the Headmaster's certificate.

A candidate who has passed the Matriculation or equivalent examination as a private student must submit, in addition to the Matriculation or equivalent certificate, a certificate from the Headmaster of the School which he first attended showing the date of his birth or his exact age as recorded in the school admission register. If no school was ever attended, a certified extract from the Municipal Birth register relating to himself or some other convincing proof in support of the age stated in the Matriculation certificate should be submitted. The application of a private student who can produce no satisfactory evidence in support of the age stated in his Matriculation or equivalent certificate may be rejected.

If the Matriculation certificate has not been issued to a candidate, he should submit along with his application an age certificate from the Headmaster of the School from where he appeared in the Matriculation Examination. Such a candidate will be required to submit his original Matriculation certificate before he is admitted to the Air Force Academy. He will be disqualified if later on it is found that the date of birth claimed by him in the application differs from that entered in his Matriculation Certificate unless the discrepancy is explained to the satisfaction of the Union Public Service Commission.

Note 1.—A transfer certificate from a school or college will not be accepted as evidence of age.

Note 2—The age and nationality certificate issued by some State authorities, is not required.

Note 3.—Displaced persons, who have lost their original Matriculation Certificates in Pakistan, should obtain duplicate certificate from the University concerned. If they are unable to obtain the duplicate Matriculation Certificates from the University, they should submit an extract from the University Gazette in which their results were published showing their date of birth and certified by the Registrar or the Headmaster.

Note 4.—Ordinarily the Commission do not accept a date of birth other than that proved or supported by the Matriculation Certificate. If they do so, they require not only convincing proof of the date claimed but also a satisfactory explanation of the incorrect entry in the Matriculation Certificate. When once a date of birth has been claimed and accepted by the Commission for the purpose of admission to an examination, no change will be allowed at a subsequent examination. Candidates who wish to challenge the entry of their age in a Matriculation Certificate must do so at the first opportunity. In such cases, a candidate must send direct to the Union Public Service Commission all the evidence on which he bases his claim as soon as he has submitted his application.

(*b*) Cadets of the P.W.M. College, Debra Dun or K.G.M. Colleges must submit a certificate of age from the Principal of the College and no other certificate as evidence of age will be required.

(iii) *Certificate of educational qualifications (See paragraph 8 of the Notification).*—A certificate or diploma in original showing that the candidate has one of the qualifications prescribed for the examination. The certificate submitted must be one issued by the authority (*i.e.* University or other examining body) awarding the particular qualification. If such a certificate or diploma is not submitted, the candidate must explain its absence, and submit such other evidence (in original) as he can to support his claim to the requisite qualifications. The Commission will consider this evidence on its merits but do not bind themselves to accept it as sufficient.

Note.—Candidates who have appeared or intend to appear at any of the examinations mentioned in paragraph 8 of the Notification may also apply for admission to this examination. The applications of such candidates will be accepted provisionally and the successful ones at this examination will be required to furnish proof of their having passed that examination as soon as possible and in any case before they join the Air Force Academy, if finally selected.

(6) Candidates may be required at the interview by the I.A.F. Selection Board to produce the original of any documents of which copies have been submitted in connection with question 18 of the application form.

(7) Copies of the certificates mentioned in paragraph 5 (ii) and (iii) above should also be submitted along with the originals. If the candidate has already submitted any of these certificates in connection with another examination conducted by the Union Public Service Commission and if they have not yet been returned to him, he should mention the fact when submitting his application, and if possible, enclose a copy of the certificate. If the certificate is not with the Commission, it should be sent with the application whether the candidate appeared at a previous examination

conducted by the Commission or not. If any certificate cannot be submitted with the application, a reasonable explanation of its absence must be given.

Candidates are advised to keep attested copies of their original certificates with them before submitting them to the Union Public Service Commission, as the Commission cannot undertake to return the original certificates until orders are passed on their applications, nor can they undertake to supply attested copies to candidates.

Note.—Certificates other than those mentioned in paragraph (5) (ii) and (iii) above will not be returned.

(8) All communications in respect of an application should be addressed to the Secretary, Union Public Service Commission, Parliament House, Post Box 186, New Delhi, and should contain the following particulars :—

Name of Examination.
Month and year of Examination.
Roll No. (if communicated to the candidate).
Name of candidate.
Address as given in application.

Communications not giving these particulars may not be attended to.

(9) The fact that an application form has been supplied on a particular date will not be accepted as an excuse for the late submission of an application or as an evidence of the receiver's eligibility to compete.

(10) Every candidate for admission to the examination will be informed at the earliest possible date of the result of his application. It is not possible for the Union Public Service Commission, however, to say when that result will be communicated.

All returnable certificates or papers will be returned when the result of his application is communicated to the candidate.

(11) Candidates must make arrangements to see that communications sent to them at the address stated in their applications are redirected, if necessary. Also any change of address should be communicated at once to the Secretary, Union Public Service Commision. If a change of address has taken place after the examination, it should also be notified to Directorate of Personnel, Air H.Q., New Delhi. Although the authorities make every effort to take account of changes in candidates' addresses, they cannot accept any responsibility in the matter.

(12) (i) A displaced person seeking remission of the prescribed fee should forward along with his application his Refugee Registration Card (in original) and a certificate (also in original) from a District Officer or a Gazetted Officer of Government or a Member of the Parliament or State Legislature to show that he is not in a position to pay the prescribed fee.

(ii) A person in whose case a certificate of eligibility is required in terms of the Note under Rule 5 should apply to the Government of India, Ministry of Defence, for issue of the required certificate of eligibility in his favour.

(iii) If a certificate of eligibility is not necessary in the case of a person who has migrated from Pakistan, *vide* Note under Rule 5, he should produce an affidavit sworn before a First Class Magistrate in one of the following forms, whichever may be applicable to him :—

1. "I declare that I migrated to India from Pakistan before the 19th July 1948 and have ordinarily been resident in India since then."
2. "I declare that I migrated to India from Pakistan after 18th July 1948 but before the 30th September 1948 and have ordinarily been resident in India since then and I further declare that I had got myself registered as a citizen of India before the 26th January 1950."
3. "I declare that I migrated to India from Pakistan and entered the Union Services without a certificate of eligibility before the commencement of the Constitution, *i.e.*, 26th January 1950, and am continuing in such service since then without a break."

Official Memorandum dated 29th May 1951.

No. Fl. 1194-1275—G.F. 30-51-2. The following letter No. D. 2571-Econ—51, dated 19th May 1951, issued by the Assistant Secretary to Government of India, Ministry of States, to the Chief Secretary to Government of Mysore, on the subject of Indian and Pakistan Rupees—Reference in Official Communications—is reproduced for the information and guidance of all officers concerned.

Letter No. D. 2571-Econ—51, dated 19th May 1951, from the Government of India, Ministry of States, to the Chief Secretary to Government of Mysore.

Subject :—Indian and Pakistan Rupees—Reference in Official communications regarding :

I am directed to state that since the nomenclature of the standard unit of the Pakistan currency is the same as that of the Indian currency, *viz.* the rupee, it is necessary, in the interest of clarity, that all references to the Pakistan rupee, wherever it occurs, should be clearly indicated by adding the letter "P" in brackets immediately after the word "Rupees". It has accordingly been decided that the two currencies should invariably be designated as follows :—

INDIAN :—Rupees (a reference to rupees should be taken to mean Indian Rupees).

PAKISTAN :—Rupees (P).

DEVELOPMENT SECRETARIAT.

Dated 11th June 1951.

No. D. 1389. The following copy of Resolution No. 32 (1)-T.B.—51, dated 18th May 1951, received from the Government of India, Ministry of Commerce and Industry, is hereby republished for information of the public.

By Order of His Highness the Maharaja,

R. J. REGO,
Secretary to Government,

GOVERNMENT OF INDIA.

MINISTRY OF COMMERCE AND INDUSTRY.

New Delhi, the 18th May 1951.

Resolution.

(Tariffs).

No. 32 (1)-T.B. 51. The Tariff Board was asked to investigate and report on the claim of the Caustic Soda and Bleaching Powder Industry for assistance or protection. The Board, having considered the matter, has submitted its report. Its recommendations are as follows :—

(i) The following protective specific duties should be imposed and remain in force until the 31st March 1954 :—

	Name of the Article.	Standard rate of duty.	Preferential rate of duty if the article is the produce or manufacture of the U.K. or a British Colony.
		Rs. a. p.	Rs. a. p.
1	Caustic Soda ...	8 10 0 per Cwt.	6 4 0 per Cwt.
2	Bleaching Powder...	2 8 0 per Cwt.	... ...
3	Liquid Chlorine ...	20 2 0 per Cwt.	14 8 0 per Cwt.

(ii) The manufacturers should take early steps to balance their plants so as to enable a fuller utilisation of chlorine by manufacturing suitable chlorine products in the country.

(iii) There is some scope for improvement in the quality of the indigenous caustic soda and manufacturers should take necessary steps to bring the quality up to the standards of the imported article.

(iv) The manufacturers should make the necessary representations to the railway authorities concerned on the question of reduction of railway freights on salt, coke, coal, limestone, and the finished products.

(v) The matter of allocation of an adequate number of wagons and locomotives should be taken up with the authorities concerned.

(vi) The Ministry of Commerce and Industry should arrange to allocate more adequate supplies of M.S. Sheets to the Industry.

(vii) As the grant of a rebate on the salt cess will assist this important industry in reducing its cost of production, Government should sympathetically consider this matter and take an early decision on it.

(viii) The proposal made by D.C.M. Chemicals regarding the substitution of hydrochlorine acid in the place of sulphuric acid for certain industrial uses should be examined by the D.G., Supplies and Disposals and if its practicability is established, the Railway Board should be approached to give favourable consideration to the request for a reduction of freight on hydrochloric acide.

2. As regards recommendation (i), this has been based on the landed cost of caustic soda prevailing at the time of the enquiry, namely, Rs. 26/13 per Cwt., the fair selling price being estimated by the Board at Rs. 27-2-2 per Cwt. The landed cost of imported caustic doda has since increased very considerably. Government do not, therefore, consider that there is at present any need to impose a protective duty as recommended. A watch will, however, be kept on the landed cost of imported caustic soda, and the matter reconsidered, if necessary.

3. Government accept recommendations (ii), (iii), (iv) and (v), and the attention of the industry is invited to these recommendations. Recommendations (vi), (vii) and (viii) are under examination.

4. As caustic soda is specified in the Schedule attached to the Supply and Prices of Goods Act, 1950, Government have taken the opportunity of considering whether any alteration is necessary in the internal controlled price of this commodity. The landed cost of caustic soda at the time of the Board's enquiry was Rs. 26-13-0 per Cwt. This cost has since increased and the controlled price has accordingly been raised to Rs. 40-6-0 per Cwt. f.o.r. Bombay under this Ministry's Notification No. P.C. 7 (8)—50, dated the 19th April 1951. The Board's estimate of the fair selling price of indigenous caustic soda is Rs. 27-2-0 per Cwt. Government have considered whether the controlled price should not be fixed accordingly. In view, however, of the administrative dfficulties involved in maintaining two prices for the same commodity and of the fact that the bulk of the requirements of the country has to be imported so that the consuming industries have to pay the higher world price, Government have decided to fix a uniform selling price based on the price of the imported commodity. Government expect indigenous manufacturers, who will benefit by this arrangement, to take advantage of this period to strengthen their financial position and reserves. This will be taken into account when considering any claim from the industry in future for the grant of assistance or protection.

ORDER.

Ordered that a copy of this Resolution be communicated to all concerned and to be published in the *Gazette of India.*

FINANCIAL SECRETARIAT

Dated 11th June 1951.

No. Fl. 1527-1627—S.F. 37-51-3. The accompanying letter C. No. 14 (11)-I.T.—51, dated New Delhi, the 12th May 1951 and its enclosure from the Central Board of Revenue on the subject of deduction of surcharge at source under Indian Finance Act, 1951, is reproduced for the

information and guidance of all disbursing officers in the State.

M. SHAMANNA,
Secretary to Government,
Finance Department.

1821

Letter C. No. 14 (11)-I.T.—51, dated 12th May 1951 from the Under Secretary, Central Board of Revenue, to all State Governments.

Subject :—Indian Finance Act, 1951—Surcharge Deduction at Source.

I am directed to invite a reference to Section 2 of the Indian Finance Act, 1951, which *inter alia* has increased the rates of income-tax and super-tax by a surcharge amounting to 1—20th of the rates prescribed in Parts I and II of the First Schedule to that Act. As this surcharge has been levied for the purposes of the Union Government it should be classified separately in the accounts under the temporary minor head "Surcharge-Central" opened in Government accounts in connection with the surcharge levied in 1940. Your attention in this connection is invited to letter No. 14 (17)-I.T.—40, dated the 11th January 1941 from the Finance Department (Central Revenues). It will be necessary for the disbursing officers to show separately in the salary and establishment bills the amount of surcharge deducted by them at source in order to facilitate separate classification in the accounts. I am accordingly to request that if the State Governments see no objection, necessary instruction may be issued to all disbursing officers at a very early date.

Copy of letter C. No. 14 (17)-I.T —40, dated the 11th January 1951 from the Government of India, Finance Department (Central Revenues) to All Provincial Governments and Administrations.

INDIAN FINANCE (No. 2) ACT, 1940-SURCHARGE—DEDUCTION OF TAX AT SOURCE.

I am directed to invite a reference to this Department letter C. No. 48 (11)-I.T.—40, dated the 15th November 1940 on the above subject.

2. The Government of India have, in consultation with the Auditor-General, decided that the surcharge on income-tax and super-tax levied by the Indian Finance (No. 2) Act, 1940 for the purposes of the Central Government should be classified separately in the treasury accounts under a temporary minor head 'Surcharge Central' opned for the purpose. It will therefore be necessary for the disbursing officers to show separately in the salary and establishment bills the amount of surcharge deducted by them at source in order to facilitate separate classification in the accounts. I am to request that, if the Provincial Government see no objection, necessary instructions may kindly be issued to all disbursing officers at a very early date.

IMPORT TRADE CONTROL.

New Delhi, the 7th June 1951.

Press Note.

Subject:—Import Trade Control—Importations against licences—Removal of certain difficulties in clearance thereof.

No. 7—ITC (Press)/51. Representations have been received from time to time regarding difficulties sometimes encountered in the clearance of goods against import licences, owing to differences in interpretation in regard to the nature of the goods licensed or their appropriate classification in terms of the Import Trade Control Schedule read with the Indian Customs Tariff. This difficulty would not normally arise if a precise description of the goods to be imported is furnished in applications for import licences. The full description would then be reproduced in the licence and the Customs authorities would allow release of the goods on import, provided of course the goods imported tallied with the description given in the licence. It is, therefore, emphasized that importers should give a full and detailed description of the goods desired to be imported in applications for licences. Where necessary, a detailed list should be attached to the application and it should be further ensured that licences received contain a full description of the goods as given in the application. In such circumstances, should a question arise about the correct classification of the goods, the Customs authorities would normally allow the importer an opportunity to obtain the necessary clarification from the Chief Controller of Imports or the licensing authority concerned.

Another reason for difficulties in the matter of clearance of goods against licences is because of discrepancies in the matter of value, date of shipment, etc., between the goods imported and the particulars given in a licence. In this connection it should be clearly understood that consignments imported against licences must be strictly in terms of the licence and if for any reason an amendment of the particulars in a licence proves necessary, then application should be made for this purpose to the appropriate licensing authority, before the goods actually arrive in the country. If this is not done, then goods imported which do not conform with the particulars of a licence would be treated by the Customs authorities as unauthorised and would be dealt with accordingly.

While the Government of India are aware that in certain cases a failure to comply strictly the terms of a licence may proceed from genuine grounds and because of reasons beyond the control of the importer, and while necessary administrative measures are being taken to alleviate undue hardship in such cases which may otherwise be caused by a rigorous application of the normal rules, yet importers are reminded that they carry a primary obligation to see that all importations made by them are in strict conformity with the terms of licence s against which they are made.

ADDENDA AND CORRIGENDA TO THE MYSORE SERVICE REGULATIONS.

Article 118 Page 40.

No. Fl. 2294—S. & A. 59-51-10. Substitute the following for Article 118 of the Mysore Service Regulations with the existing note remaining as it is :—

Suspension during Pendency of Criminal Proceedings or Proceedings for Arrest for Debt.

1. A servant of Government against whom proceedings have been taken either for his arrest for debt or on a criminal charge should be considered as under suspension for any periods during which he is detained in custody or is undergoing imprisonment, and not allowed to draw any pay and allowances (other than any subsistence allowance that may be granted in accordance with the principles laid down in Article 117) for such periods, until the termination of the proceeding taken against him. An adjustment of his allowances for such periods should thereafter be made according to the circumstances of the case, the full amount being given only in the event of the officer being acquitted of blame or (if the proceedings taken against him, were for his arrest for debt) of its being proved that the officer's liability arose from circumstances beyond his control.

2. A servant of Government against whom a criminal charge or a proceeding for arrest for debt is pending should also be placed under suspension by the issue of specific orders to this effect during periods when he is not actually detained in custody or imprisoned (*e. g.*, whilst released on bail), if the charge made or proceeding taken against him is connected with his position as a Government servant or is likely to embarrass him in the discharge of his duties as such or involves moral turpitude. In regard to his pay and allowances, the provisions of paragraph 1 above shall apply."

RULES FOR THE GRANT OF SCHOLARSHIPS TO CHILDREN AND DEPENDANTS OF SOLDIERS FROM THE FUNDS OF THE MYSORE SOLDIERS' BOARD.

The Scholarships shall be granted to deserving cases of children and dependants of soldiers who are studying in Schools and Colleges. The eligibility of Scholarships is dependant on the following conditions :—

2. Persons eligible for concessions.—Children, wives and direct dependant-brothers and sisters of the following personnel are eligible for the concessions :—

(i) Persons of Mysorean domicile or birth who served in the Defence Services during the War of 1939-46 in the ranks including non-combatants but excluding Commissioned Officers of the Mysore State Forces, who served under the Crown during the recent war.

(ii) I. N. A. Personnel who went over from the Indian Armed Forces to the I. N. A.

(iii) Indian Pioneer Force Personnel enrolled under the Indian Army Act.

NOTE.—(1) "Children" include adopted children where the personal law recognises the validity of the adoption. In the case of adopted children, legal documentary evidence should be produced. The adoption deed should have been executed at the time of adoption and not at the time of applying for the concessions. The adoption of daughters will not be valid except in rare cases and where concessions are proposed on behalf of an adopted daughter, the matter shall be decided by the head of the institution concerned.

(2) "Brothers" and "Sisters" also include step-brothers and step-sisters and half-brothers and half-sisters.

(3) To establish "dependence" on a member of the Defence Services personnel referred to above, the father of the student concerned or other head of the family concerned should prove that the soldier was remitting money by money order or by family allotment.

3. Nature of Scholarships.—(1) A limited number of scholarships will be granted for students studying in Middle Schools, High Schools and Colleges (arts and professional) for a period of eight months every year, commencing from 1st July. The number of scholarships that will be granted for the year 1951-52 will be as follows :—

	Number of Scholarships	Amount Rs.
1. Middle Schools	40	5 per mensem.
2. High Schools	20	7½ do
3. Colleges (Intermediate, Degree Professional) and Technical courses, etc.	20	10 do

(2) The number of scholarships to be granted in future years will be determined by the Mysore Soldiers' Board before the 1st July of each year.

4. Conditions for the grant of Scholarships :—

(i) In all cases the soldier or officer with reference to whom the concessions are claimed should have had at least six months' approved military service. In deserving cases, a shorter period may also be admitted.

This condition as to approved military service will apply also to members of the Indian Navy and the Indian Air Force. Mere recruitment to these two services does not confer on their children or other dependants eligibility for concessions.

(ii) The soldiers concerned should have rendered at least six months' approved military service with liability to serve overseas in a theatre of war between 3rd September 1939 and 31st August 1946.

(iii) Childern and dependants of soldiers whose present emoluments exceed Rs. 200 per mensem are not eligible for the concessions.

(iv) Children and dependants of soldiers or officers who have been killed or permanently incapacitated will not be denied the concessions by reason of the emoluments exceeding Rs. 200 per mensem if their financial circumstances make the grant necessary.

5. (i) Applications from persons studying in Middle Schools and Hig Schools should be forwarded through the institution in which the pupils are studying in the Form prescribed under Annexure A to these Rules, not later than 1st September of every year to the Director of Public Instruction who will scrutinise them and make recommendations to the Mysore Soldiers' Board once a year before 1st October of each year.

(ii) The applications from students from various Colleges should be forwarded in the Form prescribed under Annexure A to the Rules, not later than 1st September of every year to the Registrar, Mysore University who will collect them and forward them with the opinion of the Vice-Chancellor to the Mysore Soldiers' Board before 1st October of each year.

(iii) Applications received after that date will not be taken into consideration.

(iv) The Mysore Soldiers' Board will then consider the recommendations and place the amount approved by the Board at the disposal of the Director of Public Instruction and the Registrar of the University for disposal.

6. Claims for Scholarships should be supported by the following certificates :—

(*a*) A certificate in Form I prescribed under Annexure 'B' to these rules either from the Officer Commanding or Second-in-Command of the Unit concerned or from a Gazetted Officer of the Military Department.

(*b*) A certificate of recommendation in Form II prescribed under Annexure 'B' to these rules from the Head of the Institution in which the pupil is studying.

7. Scholarships will be withdrawn from those who stay for more than one year in one and the same class, but will be regranted on promotion to the next higher class. The head of the institution with the approval of the Director of Public Instruction or the Vice-Chancellor as the case may be, may continue the concessions for another year in the same class, where failure to secure promotion is due to extraordinary reasons like illness, change of residence, want of term days due to illness, etc.

8. Scholarships will not be granted or continued where the soldier or officer was discharged from military service by order of court martial or for misconduct or inefficiency or has been declared a deserter and has not been apprehended.

9. Scholarships should also be cancelled for misconduct on the part of the scholarship holder.

10. Scholarships should not be held in conjunction with any other scholarship provided partly or wholly at the cost of State funds except with the special sanction of the Director of Public Instruction or the Vice-Chancellor of the Mysore University as the case may be.

IMPORT TRADE CONTROL.

New Delhi, the 23rd June 1951.

Public Notice.

Sub.:—Import Trade Control Policy in respect of Established Importers and New Comers.

No. 109-ITC (P.N.)—51. The Government of India have reviewed their import licensing policy in the light of the suggestions made by the Import Advisory Council and of comments and criticisms from other sources. As a result of this review, the following decisions have been taken:—

(i) As regards established importers, it has been decided that this category will now consist of only such importers as have been actually engaged in the import trade for at least two out of the past five years, and the claims of existing importers of this class will have to be re-established on this basis.

(ii) As, however, trade with several other countries was interrupted during the last war, it has been decided that importers of goods from those countries will be permitted to have their quotas established on the basis of pre-war imports during the three years before the outbreak of the last war. In working out their quotas, due weightage will be given to the rise in prices which has taken place since the war.

(iii) It has also been decided that a new comer, to qualify for the category of established importer, must have actually done import business in the item concerned for at least two years.

2 The qualification for an applicant to receive consideration as a new comer will now be that he has dealt within the country in the particular commodity which he wishes to import, for at least two years. It has also been decided that the minimum value of a new comer's licence will in future be Rs. 10,000 unless it happens to be for items which are received in small consignments such as razor blades in which case the minimum will be Rs. 5,000.

3 Another important decision is that, where essential goods are concerned, the continued supply of which is necessary in the national interest, consideration will be given to the claim of a new sole agent of a foreign firm for an import licence even though he may not have past imports to his credit. This consideration will not, however, debar the previous sole agent from continuing to receive a quota as an importer provided he is otherwise qualified.

Joint Secretary to the
Government of India.

Memo dated 18th August 1951.

No. Fl. 2857-2856—G.F. 76-51-2. The accompanying copy of letter C. No. 15 (22). I.T.—51, dated 10th July 1951 with its enclosure received from the Deputy Secretary to the Government of India, regarding the furnishing of information by the Disbursing Officers to the Income-Tax Officers in respect of disbursements made to persons for professional services, is reproduced for the guidance of all the Disbursing Officers.

M. SHAMANNA,

Secretary to Government,
Finance Department.

Letter No. C. 15 (22) I.T.—51, dated 10th July 1951, from the Government of India, Ministry of Finance (Revenue Division), New Delhi, dated the 10th July 1951, to all State Governments and Chief Commissioners.

Subject—Information—Disbursements made to persons for professional services—Intimation of—Income-tax Officers.

Attention is invited to the Government of India, Ministry of Finance (Revenue Division), letter C. No. 15 (5) I.T.—48, dated 4th June 1948 of which a copy is enclosed for ready reference.

This Ministry understands that payments, other than salary, made to persons for professional services such as fees, etc., paid to legal advisers, solicitors and public prosecutors, from which tax may not be deducted under section 18 (2) of the Income-Tax Act, 1922 are not being communicated to the Assistant Director of Inspection (Income-tax), Collation Branch, Madras, in the same way as payments made to contractors. I am accordingly to say that the Ministry of Finance would be grateful if the Government of Madras, etc., will be good enough to direct all disbursing officers in their jurisdiction, who make payments for professional services on behalf of the departments of the State Government or local bodies within their respective jurisdictions to intimate the details of payments made, together with the complete addresses of the payees and the dates of payment, with effect from 1st April 1951 either quarterly or half-yearly to the Assistant Director of Inspection (Income-tax), Collation Branch, Locksley Hall, Poonamallee High Road, Madras 10.

A copy of the instructions issued may kindly be forwarded to this Government.

Copy of letter C. No. 15 (5)—I. T.—48, dated 4th June 1948.

Subject:—Information—Disbursing Officers—List of.

I am directed to say that it has been noticed that the list of disbursing officers forwarded by the Provincial Government/Chief Commissioner in response to paragraph 3 of the late Finance Department (Central Revenue) letter C. No. 15 (5) I. T.—44, dated the 5th July 1944 (copy enclosed for ready reference) is now obsolete. I am, accordingly to request that if the Provincial Government have no objection an up-to-date list of such officers may be forwarded to the Assistant Director of Inspection (Income-tax), Central Board of Revenue, Collation Branch, Poonamallee High Road, Madras, as early as possible.

2. It has also been noticed that the statement forwarded by the disbursing officers in pursuance of the instructions conveyed in the letter quoted above are in many cases delayed and are incomplete or defective. I am to request that instructions may also be issued to the Officers to prepare the statements more accurately and to forward the same without delay to the Assistant Director of Inspection (Income-tax).

A copy of the instructions issued may kindly be forwarded to this Government.

REVENUE SECRETARIAT

Dated 21st August 1951.

No. R. 5662-4—L.S. 40-51-6. It is notified for general information that, under section 1(2) of the Record of Rights Act No. X of 1927, Government are pleased to direct that the provisions of the said Act shall be extended to the Sarvamanya Narsipur Village, Kora Hobli, Tumkur Taluk.

2. The Record is intended to check litigation in regard to land and to facilitate its disposal by the Courts, to reduce unnecessary expenditure by the raiyats in executing and registering documents and to protect them against fraud and fabrication of false claims. It will also be of assistance to Government as well as the raiyats in the distribution of assessment among the various hissadars, the grant of Takavi and Land Improvement Loans and the grant of suspension or remission of land revenue.

3. To facilitate the accurate preparation of the Record of Rights, the Preliminary Record will first be prepared by the Shanbhoges to the best of their information in the prescribed form and every case will be duly investigated by a Special Revenue Inspector. There will be a check of the Preliminary Record by the Amildar or other officer specially authorised by the Superintendent of Land Records, Survey and Settlement or by the Deputy Commissioner, in this behalf. Occupants and persons interested in the land are required to furnish every information that may be within their knowledge to the Investigating Officers in order to ensure accuracy in the preparation of this record which will form the basis of the future Records of rights.

4. All persons interested in the land are required to render every reasonable assistance to officers of the Department of Land Records when they come to a village to measure the hissas and to conduct enquires in cases disputed boundary lines between hissas in the field, after giving the prescribed notice.

5. The attention of the public is invited to the provisions of Section 7 of the Record of Rights Act requiring them on requisition by a Revenue Officer, engaged in compiling or revising the Record of Rights to furnish or produce information and documents needed for the correct compilation or revision thereof within one month from the date of such requisition. Failur to comply with this requisition and secure registration of their rights, will render occupants and holders of interests in land liable to a fine not exceeding Rs. 5 (recoverable as an arrear of land revenue) besides depriving them of the advantages enumerated above. The officer to whom any information is furnished or before whom any documents are produced in accordance with the requisition will give a written acknowledgment therefor in the form prescribed to the person furnishing or producing the same and shall endorse on any such document, before returning it to him, a note under signature stating the fact of its production and the date thereof.

NOTIFICATIONS BY GOVERNMENT

CHIEF SECRETARIAT

HOME DEPARTMENT.

Dated 1st September 1951.

No. H. B. 4871-2—Mily. 52-51-2. With a view to increasing the number of Indian Nationals in the seafaring profession, the Government of India have instituted a scheme of training seamen, the details of which are noted hereunder. Persons interested in seafaring careers may utilise this opportunity and apply for getting admission under the scheme.

The scheme was inaugurated in June 1950, on the ex-pilot vessel 'Lady Fraser' (now named 'Mekhala'). In February 1951, the ex-pilot vessel 'Andrew' which has since been renamed 'Bhadra' was also put into commission as a second Training ship. The 'Mekhala' is now stationed at Vizagapatam and the 'Bhadra' at Calcutta. The training, which is for a period of three months, is provided free of cost including free board, lodging and uniforms. In addition a weekly pocket allowance of Rs. 2-8-0 per trainee is given. Trainees are taken in monthly batches of 33 on the 'Bhadra' and 30 on the 'Mekhala'. *The Age of entry is normally 18 to 25 years though it is not strictly adhered to.*

The Ratings Training Scheme is open to candidates from all States but only such persons will be encouraged to join as are genuinely interested in a seafaring profession.

At present, the recruitment for the Training Ship 'Bhadra' is done at Calcutta in monthly batches of 33 by the Captain Superintendent of the Training ship and preference is given to displaced persons. Trainees for the second Training ship 'Mekhala' are also selected in monthly batches. This selection is mainly done at Madras and Bombay by the Principal Officers, Mercantile Marine Department (at Bombay by the Shipping Master on behalf of the Principal Officer). But a certian number are also recruited by the Captain Superintendent locally every third month. Persons from all parts of India are eligible but preference is given to youths of communities with a seafaring tradition. The addresses of the authorities from whom further information may be obtained, if necessary, are given in the enclosure (Annexure I).

Persons selected for training, will have to join the Training Ships at their own cost. Those who have completed the training will have to appear at the Forts of Bombay and Calcutta for employment immediately after completing the training and thereafter at intervals, at their own cost, since recruitment to ships is made by the shipping companies at Bombay and Calcutta. The pay scales in different departments of a ship are given in the attached statement (Annexure II). Normal engagement is for a period of about 8 months at a time (with a maximum of 12 months ordinarily and 18 months in certain special circumstances) and after each period of engagement there will be an interval during which the seamen can visit their homes. Recruitment is made at musters at which the Master of the employing ship makes the selection and ordinarily seamen may stand at musters for selection after a period of about 6 moths from the date of completion of the previous engagement.

By Order of His Highness the Maharaja,

E. V. GANPATI IYER,

Chief Secretary.

By Order of His Highness the Maharaja,

Official Memorandum dated the 30th August 1951.

A copy of the Press Note of 28th May 1951, issued by the Indian Standards Institution, New Delhi, on the Standard Specification for the National Flag of India (Cotton Khadi) is re-published for general information.

No. M. 10140—G.M. 34-51-2. "Two flags, one of silk and the other of cotton khadi, specially designed and manufactured for the adoption of the National Flag of India, were presented to the Constituent Assembly of India by the Hon'ble Shri Jawaharlal Nehru on July 22, 1947. At the same time, a resolution, moved by the Prime Minister, was adopted by the Assembly in which the broad features of the flag were described. The resolution, naturally, did not purport to furnish full details regarding the quality of the cloth and other particulars required for the manufacture of flags. Necessity, therefore, arose for the preparation of self-contained specifications for the National Flag of India.

The Army Headquarters had issued a working drawing for the National Flag for the use of the Army, and they suggested to the Indian Standards Institution to issue a standard for the National Flag on the basis of their requirements. The Government of India, in the meanwhile, expressed a desire that the cloth used for the manufacture of the flag for use by Government should be hand-spun and hand-woven khadi. Accordingly, it was decided to formulate standards 'for the National Flag involving the use of hand-spun and hand-woven cotton, woollen and silk fabrics.

The finalised standard just published by the Indian Standards Institution: 'Indian Standard Specification for the National Flag of India (Cotton Khadi)', deals only with the National Flags made of cotton khadi. The standards for flags made of wool and silk are under preparation.

The published standard describes with illustration, the general design and constructional details of the flag in full, and prescribes dimensions of the various parts of the flag standardised to six sizes including the one for motor cars. The standard also lays down, *inter alia*, the specifications for the yarn and constructional details of cotton khadi bunting in bleached and in dyed state. For evaluating the specified characteristics, such as colour fastness to light and washing, the standard contains methods of test described in separate appendices.

In order to ensure uniformity of shades of colours in the flag, namely India Saffron, India Green and Navy Blue, it has been necessary to prescribe colour values in terms of trichromatic coefficients corresponding to the colours of the original Constituent Assembly flags.

But with a view to make it possible for cottage and small scale producer to be able to match these colours, the Indian Standards Institution has arranged to issue separately a set of standard colour shade samples at nominal cost.

The standard (I.S: 1-1951), priced Rs. 2 per copy is available for sale, and may be had from the Secretary, (Administration), Indian Standards Institution, 19 University Road, Civil Lines, Delhi 8."

By Order of His Highness the Maharaja,

DEVELOPMENT SECRETARIAT.

Dated 22nd September 1951.

No. C. & D. 170—Imports 1-51-9. The following Public Notice No. 138-I.T.C. (P.N.)—51, dated the 31st August 1951, issued by the Ministry of Commerce and Industry, Government of India, is republished for the information of the public.

GOVERNMENT OF INDIA.

MINISTRY OF COMMERCE AND INDUSTRY.

(IMPORT TRADE CONTROL).

New Delhi, the 31st August 1951.

PUBLIC NOTICE.

Subject:—New Comers applications for Cycles and Cycle parts (Serial No. 300 and 301, Part IV of the Import Trade Control Schedule) for imports from soft currency area for July-December 1951.

No. 138-I.T.C. (P.N.)—51. In this Ministry's Public Notice No. 105-I.T.C. (P.N.)—51, dated the 15th June 1951, and the Red Book for the period July-December 1951, it was stated that the import licensing policy for Cycles and Cycle parts would be notified separately. It has now been decided to license Cycles and Cycle parts to both established importers and new comers. The policy for established importers is being announced in a separate Public Notice. The Public Notice is confined to New Comers.

2. It should be noted that licences for cycles will not be valid for the importation of tyres and tubes and those for cycle parts will not be valid for the import of the following items:—

1. Cycle bell.
2. Cycle stand.
3. Carrier.
4. Cycle lamp other than Dynamo lamp.
5. Handle grip.
6. Brake rubber.

3. Applications for licences in the new comers category will only be entertained from those who have actually been engaged in the internal trade in the line concerned (cycles and cycle parts in this case) for a minimum period of two years ending the 31st December 1950 to 30th June 1951 and who do not qualify to receive licences as established importers or actual users.

4. In order to ensure that the value of new comer licences is not uneconomically low, it has been decided that the minimum value of new comer licences for cycles will be Rs. 10,000 and for cycle parts Rs. 5,000 while the maximum will be Rs. 25,000. As the amount of foreign exchange available for the issue of such licences is limited, it will be necessary to make a selection of the best candidates out of the applications received and it is inevitable that quite a few applicants who might appear to be eligible on the conditions laid down for applying may nevertheless fail to receive an import licence.

5. Applications from new comers should be submitted in the form Appendix A and should be accompanied by an auditor's certificate in Form Appendix B appended to this notice together with a treasury receipt for Rs. 10 in the case of applications for a value not exceeding Rs. 10,000 and for Rs. 25 in all other cases. Applicants may also produce such evidence as will show their connection with the cycle trade internally and their ability to enter the import trade.

6. No application will be considered unless the income-tax registration number or exemption number allotted to the applicant before the date of making application is furnished in the relevant column of the application form. For this purpose, the number allotted after the 1st January 1950 and up to the date of making the application will be accepted as valid.

7. Applications for licences should be made to the Import Trade Controllers at Calcutta, Bombay and Madras, according to whether the place of business of the applicant is situated in Area A, Area B or Area C as shown in the attached schedule (Appendix C).

8. A branch of a firm cannot apply as a new comer when the head office is applying for a licence whether as an established importer, actual user or as a new comer.

9. The last date for receiving applications for licences from new comers will be 31st October 1951. No application from New Comers will be entertained if received after that date.

IMPORT TRADE CONTROL

New Delhi, the 31st August 1951.

PUBLIC NOTICE

Subject.—Licensing of Import of Cycles and Cycle accessories for July—December, 1951 period.

No. 137-ITC. (PN)—51. The attention of importers is invited to Public Notice No. 105-ITC (PN)—51, dated the 15th June 1951 wherein it was stated that a separate announcement would be made regarding the licensing of cycles and cycle parts.

2. It has now been decided that licences for import from soft currency countries for complete cycles excluding tyres and tubes and cycle parts and accessories should be granted to established importers, manufacturers of cycles and newcomers.

3. Licences to established importers will be granted for complete cycles excluding tyres and tubes (Serial No. 300, Part IV of the Import Trade Control Schedule) on a quota of 50 per cent of half of best years' imports of complete cycles; and for cycle parts (Serial No. 301 of Part IV) on a quota of 25 per cent of half of best years' imports of all cycle parts from all sources. The licences for cycle parts will be valid for the import of all cycle parts except the following :—

(1) Cycle bell.
(2) Cycle stand.
(3) Carrier.
(4) Cycle lamps other than Dynamo lamps.
(5) Handle grips.
(6) Brake rubbers.

4. It has also been decided that, as regards complete cycles, the minimum value of a quota licence will be Rs. 5,000, which will be granted in cases where the quota found admissible after calculation is between Rs. 2,000 and Rs. 5,000. No quota licences for cycles will be granted in cases where the quota works out to less than Rs. 2,000. The minimum value of a licence for cycle parts will be Rs. 500, (if the admissible quota is between Rs. 250 and Rs. 500). No quota licence for parts will be granted if the quota found admissible is less than Rs. 250. It will be open to importers whose quota works out to too low a figure to qualify for a licencee to apply as newcomers.

5. Established importers should apply in the prescribed form and in terms of the conditions laid down in the 'Red Book' for July-December, 1951. Applications should reach the Import Trade Controllers at the ports concerned on or before the 30th September, 1951.

6. Manufacturers of cycles will be granted licences only for specified component parts in accordance with para 6 of Appendix B in Part III of the 'Red Book'. Applications should be made to the Chief Controller of Imports in the prescribed form and manner so as to reach him on or before the 30th September 1951.

7. A separate Public Notice is being issued in respec of New Comers.

PREM CHAND,
Dy. Secy. to the Govt. of India.

IMPORT TRADE CONTROL

New Delhi, the 24th September 1951.

PUBLIC NOTICE.

Subject.—Imports from Switzerland.

No. 148-I.T.C. (P.N.)—51. As a result of the extension of the Indo-Swiss Trade Agreement of 1950-51 upto 31st December 1951, it has been decided that specific licences for imports from Switzerland will be granted in respect of the articles mentioned in the Schedule below on the basis of the quota percentage shown against each. Licences will be granted to Established Importers only and quotas will be calculated on the basis of their past imports of the article concerned from Switzerland alone.

2. Established importers should apply in the prescribed form and manner with necessary documents in support of their past imports to the Import Trade Controller at the Port concerned. Applications should reach the authority concerned before the 31st October 1951.

Instructions to Candidates.

1. The application form duly completed in all respects should be submitted to the Secretary to Government of Mysore, Education Department, so as to reach him not later than the 15th November 1951. The candidates who are in Government service should submit their applications through proper channel; applications received direct from such candidates will not be entertained.

2. Candidates are warned that applications received after the prescribed date *viz.*, 15th November 1951, will not be entertained.

3. Candidates are required to attach two copies of their passport size photograph to their applications with their names written on it.

4. Candidates are required to attach only copies of certificates attested by a Gazetted Officer or a Professor in a University/Degree College in support of statements made regarding educational qualifications in the applications. They are warned not to attach originals of these certificates along with their applications. These should be sent to the Government when called for and must be produced at the time of interview. The Government of India do not take the responsibility of returning any certificate or other documents attached with the application. This should be carefully noted by the candidates.

5. The selected candidates will carry out advanced research in Radio-Astronomy. They will be given an opportunity to gain a general knowledge of the subject and will then concentrate on a particular problem. If their work is good, they will be expected to publish their results either alone or in collaboration with others, depending on the circumstances. They will not be eligible for a degree from an Australian University.

6. The Government of Australia will bear the entire cost of training including the maintenance of the candidates in Australia. Fare (by sea or air) from the port of embarkation in India to the port of disembarkation in Australia and return will also be borne by the Australian Government. The candidates or their sponsoring authorities will have to bear the inland journey expenses in India from their residences to the port of embarkation in India and back.

REVENUE SECRETARIAT

Dated 3rd December 1951.

No. R. 9434. It is notified for general information that, under section 1 (2) of the Record of Rights Act No. X of 1927, Government are pleased to direct that the provisions of the said Act shall be extended to the Jodi Hanumenahalli, Kortagere Taluk, Tumkur District.

2. The Record is intended to check litigation in regard to land and to facilitate its disposal by the Courts, to reduce unnecessary expenditure by the raiyats in executing and registering documents and to protect them against fraud and fabrication of false claims. It will also be of assistance to Government as well as the raiyats in the distribution of assessment among the various hissadars, the grant of Takavi and Land Improvement Loans and the grant of suspension or remission of land revenue.

3. To facilitate the accurate preparation of the Record of Rights, the Preliminary Record will first be prepared by the Shanbhogs to the best of their information in the prescribed form and every case will be duly investigated by a Special Revenue Inspector. There will be a check of the Preliminary Record by the Amildar or other officer specially authorised by the Superintendent of Land Records, Survey and Settlement or by the Deputy Commissioner, in this behalf. Occupants and persons interested in the land are required to furnish every information that may be within their knowledge to the Investigating Officers in order to ensure accuracy in the preparation of this Record which will form the basis of the future Records of Rights.

4. All persons interested in the land are required to render every reasonable assistance to officers of the Department of Land Records when they come to a village to measure the hissas and to conduct enquiries in cases disputed boundary lines between hissas in the field, after giving the prescribed notice.

5. The attention of the public is invited to the provisions of Section 7 of the Record of Rights Act requiring them on requisition by a Revenue Officer, engaged in compiling or revising the Record of Rights to furnish or produce information and documents needed for the correct compilation or revision thereof within one month from the date of such requisition.
